WITHDRAWAL OF POLICEMEN IS DEMANDED

Strikebreakers Go to Work in Two Windsor Plants Under Protection

TENSION INCREASES AS LINES REINFORCED

WINDSOR, Ont., May 17 (P).—A demand for the withdrawal of twenty-one Ontario policemen sent in to patrol two strike-ridden plants here was dispatched tonight to Federal and Provincial authorities as strike-breakers worked to-day under police protection.

Resolutions protesting presence of police were drawn up by union leaders and addressed to Premier Mitchell Hepburn, of Ontario, and Prime Minister Mackenzie King.

At Toronto, Attorney-General Paul Leduc was reported as saying the extra police had been sent here at request of Windsor Police Commission and would also be withdrawn at their request.

DISORDER IN PICKET LINE

L. A. Young Industries, Ltd., brought in about thirty-five new men early today, precipitating disorder in the picket line where groups of the 200 striking employees yelled at the outsiders. From the second factory, Walker Metal Products, other strikers came to augment the pickets. Police were hooded as they superintended the arrival of the workers.

At the Walker plant heckling took place as cars unloaded 140 men who went into work. The strike, started last Thursday, was called by the United Automobile Workers of America, while the Young employees went on strike last Tuesday.

BANS ATLANTIC AIRPLANE RACE

United States Decides to Prevent Contest as Involving Needless Risk

WASHINGTON, May 17 (P).—The United States Government has blocked a New York to Paris air race organized by France to commemorate the tenth anniversary of Charles A. Lindbergh's historic trans-Atlantic flight.

Disclosing this today, the State Department issued the following explanation:

"The Government of the United States, being deeply appreciative of the generous and friendly motives which prompted the French Government to organize an air race from New York to Paris in commemoration of the tenth anniversary of Colonel Lindbergh's crossing of the North Atlantic, at first agreed to assist in the arrangements for such a race.

RISK OF NEEDLESS LOSS

"Upon further study, however, the competent technical authorities in the United States, considering the practical difficulties involved, came to the conclusion that the race would be of a hazardous nature involving risk of needless loss of life and consequently might have an adverse effect on public confidence in the safety of air travel.

"The Department of Commerce, therefore, decided to exercise its authority to prevent the race and no notification to that effect has been made to the French authorities.

"The French Air Ministry is aware of the reasons which prompted this action."

BLASTS IN CINCINNATI

CINCINNATI, May 17 (P).—A series of sharp semi-gas explosions shook downtown Cincinnati tonight, injuring at least one man and endangering automobile traffic on streets crowded with late theatre-goers. Numerous windows in the area were shattered.

MEDAL FOR DR. ECKNER

WASHINGTON, May 17 (P).—Dr. Hugo Eckener, former skipper of the dirigible Hindenburg, will receive the Daniel Guggenheim Medal for "valuable contributions to transoceanic air transport and international cooperation in aeronautics," it was announced tonight.

Italy Puts Stop To Press Attacks On Great Britain

ROME, May 17 (CP-Havas).—Italian press attacks against Great Britain stopped today, and it was reported that the Italian Government requested London to urge a similar moderation in the tone of British newspapers toward Rome. Softening of the press dispute—which caused a ban on nearly all British papers and brought the recall of all Italian correspondents from London—came after a conversation yesterday between Foreign Minister Ciano and British Ambassador Sir Eric Drummond.

FORMS NEW GOVERNMENT

Nine-Man Cabinet Named in Spain by Dr. Juan Negrin

(Copyright, 1937, by Havas News Agency)
VALENCIA, May 17 (P).—The forty-eight-hour Spanish Cabinet crisis ended tonight when Dr. Juan Negrin, Socialist Premier-designate, formed a new nine-man Government.

The Cabinet list made no mention of the two powerful trade union organizations, the Anarcho-Syndicalist C.N.T. (National Labor Confederation) or the Socialist U.G.T. (General Workers' Union). The Cabinet comprised three Socialists, two Communists, one Left Republican, one Republican Union member, one Left Catalan and one Basque Nationalist.

ABANDONED EFFORTS

President Manuel Azana called on Dr. Negrin, forty-eight-year-old physician, to form a Government earlier today, after former Premier Largo Caballero, also a Socialist, abandoned efforts to pick a Cabinet to succeed his Government that resigned on Saturday.

Negrin, Largo Caballero's Treasury minister, announced, he would seek support of all parties opposed to the insurgents. Largo Caballero had been unable to gain that support.

The Communists opposed the retiring Premier's demand that he retain both the premiership and the war portfolio, as an effective means of combating insurgent General Francisco Franco and his men.

The Socialists would not go on in a Government which did not have Communist backing; the Left Republicans supported the Communist demand for a stronger war policy and separation of the premiership and war ministry; the Anarchists assailed Largo Caballero for wishing to reduce the number of Anarchist seats in the Cabinet from four to two.

Moths Dine On Mayor's Costly Robe

MONTREAL, May 17 (P).—The moths' feast ended today, but they must have had a great time while it lasted. Anyhow, it cost the city of Montreal \$1,400 to feed thousands of them on the rich cloth of the mayor's robe.

A city employee discovered the loss today when he visited the City Hall vaults. All that remained of the \$1,400 robe were the buttons, a few strings of thread and remnants of a skin.

To save the annual 3 per cent furrier's storage charge, the city has been storing the robe with the depositories, legal documents and all that usually goes in a city hall vault.

DEAN OF LIMERICK DEAD

LIMERICK, Irish Free State, May 17 (P).—Monsignor Michael O'Donnell, Dean of Limerick, died today.

Insurgents Drive on Last Triple Line of Defences of Bilbao

Reported Now Six Miles From Centre of Basque Capital—Hold Positions in Commanding Hill Regions—Gain Trunk Highway

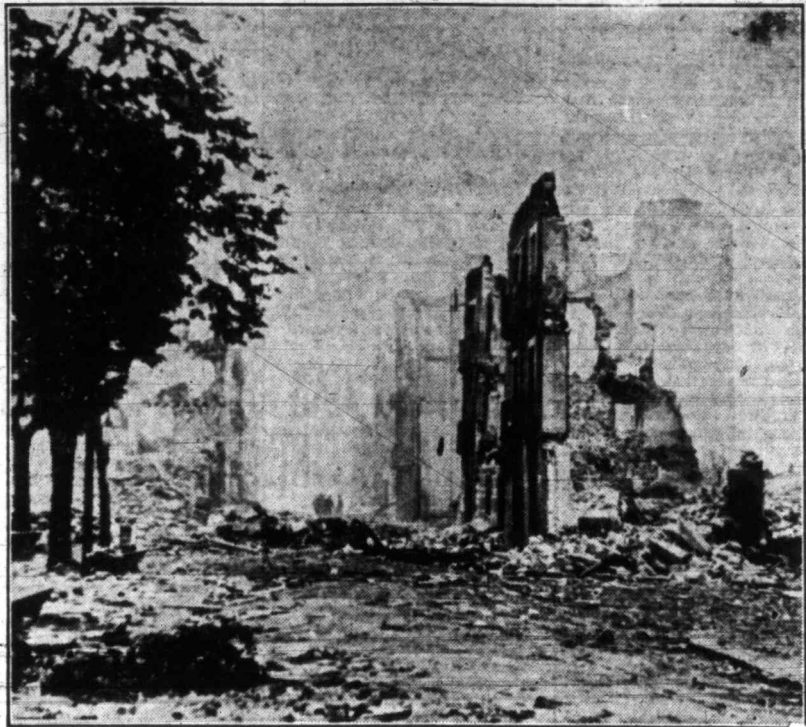

HENDAYE, Franco-Spanish Border, May 17 (P).—Spanish insurgents tonight drove hard upon Bilbao's last triple line of trenches, six miles from the centre of the besieged Basque capital.

General Emilio Mola's insurgent troops swept across Biscargi Hill, an insurgent announcement said, two to three miles from the semi-circle of Government lines which start at the Bay of Biscay and run around Bilbao, ending at a point on the Bay some twelve miles west of the start.

Already the besieging insurgents held positions in the Solube and hill regions, north of Biscargi Hill. South of Biscargi Hill, near the town of Gorocica, Basque and insurgent soldiers battled fiercely. East of Gorocica the insurgents claimed control of the Guernica-Amorebieta Highway, which runs north and south about twelve miles east of Bilbao.

(Bilbao reports did not admit the capture of Biscargi Hill by the insurgents. They said Government troops drove to the top of the summit in a bloody bayonet attack and pushed back the insurgents.)

Three Committees Picked At Imperial Conference Settle Down to Business

Start Today on Study of Special Problems to Be Discussed

CHIEF TASK WILL BE TO HARMONIZE

LONDON, May 17 (P).—The Imperial Conference committee work opens tomorrow when the three committees set up to study civil war communications, shipping and economic questions meet.

To aid the committees, experts of the United Kingdom and the various Dominions are busy putting the finishing touches to their voluminous memoranda.

Apart from the committees, delegates from the various Dominions are discussing ways and means of keeping their countries in closer touch with one another.

The high commissioners, as liaison officers in London, keep in close contact with the Mother Country but the contact of the Dominions with one another, it is felt, might be improved.

PRELIMINARY PROCEEDINGS

Tomorrow's proceedings will be only preliminary to discussions of foreign policy and defence, which are to be the main theme of the conference. An Empire foreign policy committee will be set up.

HOTEL AT BRALORNE DESTROYED BY FIRE

BRALORNE, May 17 (P).—Fire gutted the premises of the Mines Hotel, Ltd., one mile from here, this morning, causing damage estimated at nearly \$25,000. This is the second time in two years the building has been destroyed by fire.

The loss was partially covered by insurance.

Twenty Freight Cars Pile Up in Wreck in Washington State

WENATCHEE, Wash., May 17 (P).—The Great Northern main line was cleared tonight of the wreckage of twenty freight cars of fuel oil, cement and miscellaneous freight scattered along the right of way today when an eastbound freight train was wrecked at Cashmere. Many cars were completely demolished and the track was torn up for several hundred feet.

Exact cause of the accident had not been determined but several railroaders expressed the opinion that weight of the oil filled cars behind might have caused cars to buckle when brakes were applied as the train was coming in to Cashmere. Losses in freight alone was estimated at \$10,000. No one was injured.

Council Aroused By Boost in Fire Insurance Rates

City Comptroller Requested to Report on Total Amount Held by Board Companies With a View To Changing Municipal Policies—Strong Resolution to Be Sent to Association

STRONG opposition to an increase of 10 per cent in fire insurance rates was recorded by the City Council at a regular meeting last evening. On motion of Alderman Archie Willis, seconded by Alderman T. W. Hawkins, the city comptroller was asked to report on the amount of municipal insurance held by board companies with a view to cancelling policies when due and placing city fire risks with non-board companies.

U.S. Dreadnaughts To Visit Halifax

HALIFAX, May 17 (P).—Two dreadnaughts, the U.S.S. Texas and the U.S.S. New York, will visit Halifax Harbor September 18 and 19, naval authorities announced today.

ARRIVES WITH REFUGEES

PAULLAC, France, May 17 (P).—The Spanish steamer Habana arrived here today with 3,869 refugees from Bilbao, 2,185 of whom were children.

DUBLIN, May 17 (P).—Several thousand people crammed an excursion train to Belfast today to see the full-length Coronation films which were screened in Dublin in an abbreviated version only.

Princesses Cheer Own Appearance

WINDSOR, May 17 (P).—The little Princesses Elizabeth and Margaret Rose applauded their own screen appearance tonight.

They clapped their hands in delight when they saw themselves in a Coronation film shown to their parents, the King and Queen, in the throne-room of the castle.

Their Majesties motored from the royal lodge to the castle to see the Coronation pictures.

DEATH TAKES QUADRUPLTS

Four Children Born to Montreal Woman Pass Away Few Hours After Birth

MONTREAL, May 17 (P).—The Martel quadruplets, who lived less than a day, will be buried tomorrow.

The tots died one by one in hospital early today, the last about seventeen hours after their entry into the world in Mrs. Paul Martel's east-end home.

At the hospital, where the girl and three boys were placed in incubators last night after a swift ambulance ride from the Martel home, the thirty-year-old French-Canadian mother, wife of a bakery wagon driver, was "resting comfortably" and rapidly regaining strength.

Mrs. Martel was not informed immediately of the babies' deaths and would not be until she had regained sufficient strength to withstand the shock, Dr. J. A. Barrette, the family physician, said.

Mr. and Mrs. Martel have three other children.

VANCOUVER SUN TO HAVE NEW OFFICES

VANCOUVER, May 17 (P).—The Vancouver Sun, whose business and editorial offices were destroyed by fire March 22, will shortly be housed in the Bekins Building, directors of the Sun Publishing Company announced here today.

The announcement said the seven-story Bekins Building, built in 1911 to house the now-defunct Vancouver World, had been purchased by the Sun Company.

KILLED WHEN CYCLE HITS CAR FENDER

COEUR D'ALENE, Idaho, May 17 (P).—Injuries received when his motorcycle hit the fender of a moving automobile west of here, last night, were fatal today to Russell Harman, Spokane. Ernest W. McConnell, Spokane, riding with him, suffered a skull fracture and possible internal injuries.

Uprising in Southern Albania Quelled by Government Troops

Rebellion Various Reported as of Communist And Mohammedan Origin—Rebels Flee Into Macedonian Hills Near the Greek Border

TIRANA, Albania, May 17 (P).—The War Ministry announced tonight that Government troops had occupied Argyrokastró and ended a thirty-four-hour rebellion in the southern sector of the little kingdom of King Zog. The populace greeted the troops "with jubilation," the War Office said.

The rebels were believed to have fled into the Macedonian hills near the Greek border. They will be pursued, officers asserted.

The Government denied the rebellion was against King Zog's programme for liberalizing the country, his banishment of Mohammedan veils for women and of polygamy.

Documents taken from prisoners indicated the insurrection was of Communist origin, the Government insisted; it was confined to one sector and elsewhere the nation was calm.

Rebel reports through the Albanian-Yugoslav frontier hinted that the revolt was chiefly a Mohammedan protest against liberalization and modernism.

Former Cabinet Minister Effen Toto was charged with leading the insurrection. His fate was not known. The Albanian Telegraphic Agency said a brother, Ismet Toto, was killed.

The revolt began Saturday and many were reported killed or wounded in guerrilla skirmishes.

Eighteen Others Injured and Twenty Persons Missing After Terrific Explosion That Many Believed to Be Earthquake—Victims Were Emigrants on Way to South America

Number of Chinese in Small Boats Nearby Believed Lost

HONGKONG, May 17 (P).—Seventy Japanese emigrants were killed tonight by a boiler explosion aboard a Japanese launch. Eighteen persons were sent to hospitals. Twenty were missing. The blast occurred as the launch shoved off from Queens Pier to return the sight-seeing emigrants to their ship, the Rio de Janeiro Maru. The Japanese were bound for South America.

DEATH ENDS BOY'S GAME

Chase After Football on City Street Fatal to Joseph Nichol Howie

Seriously injured yesterday afternoon when he collided with a motorcycle which police stated was driven on Vancouver Street by William Melville, P.P.C.L.I., Work Point Baracks, nine-year-old Joseph Nichol Howie, son of Mr. and Mrs. Joseph N. Howie, 704 Vancouver Street, passed away in St. Joseph's Hospital at 9:20 o'clock last evening from a fractured skull and severe brain injuries. Dr. E. C. Hart asserted an inquest would be held.

Police reported receipt of a telephone call from E. L. Rainford, Cadboro Bay, at 3:50 o'clock that a motorcycle had collided with young Howie. According to the official report, Constable P. W. Richards found Howie had been playing football on the east sidewalk of Vancouver Street, between Collinson and Richardson Streets.

CHASES FOOTBALL

The football was kicked across Vancouver Street and the lad ran towards the west sidewalk. He paused for a moment to allow Mr. Rainford's motorcycle to pass, but apparently did not see another machine close behind, driven by Mr. Melville. Although Mr. Melville swerved to the left and skidded forty-eight feet, he collided with the boy, who was knocked to the road, police stated. A passing automobile rushed young Howie to St. Joseph's Hospital, where he was attended by Dr. J. H. Moore.

Police took measurements and the names of four witnesses to the accident. It was intimated at the Police Station last evening that no charge would be laid against Mr. Melville.

NOT GUILTY OF MANSLAUGHTER

NEW WESTMINSTER, May 17 (P).—John Vipond was acquitted of a manslaughter charge in connection with the death of Clement Robert Stone on April 3 in Assize Court today.

Evidence showed that Mrs. Vipond had been frightened on occasions prior to the shooting by a prowler, about whom police had received many complaints.

Two witnesses described finding the body of Stone lying on the ground after he had been shot with a sixteen-gauge gun.

Parts of bodies fell a quarter mile away, some landed on roof tops, some on the veranda of the Hongkong Club.

A number of Chinese in small boats were believed also to have died from the force of the explosion but the reports were not confirmed.

So terrible was the blast that many first thought it an earthquake.

LAUNCH BLOWN TO BITS

The launch, owned by the steamship company Osaka Shosen Kaisha, disappeared with the explosion, the superstructure blown to bits and the hull sinking in a few seconds.

A part of the pier crumpled, but other parts of the waterfront escaped damage.

The Rio de Janeiro Maru arrived today from Japan.

PUTS CHECK ON ARMY LEADERS

Soviet Decree Limits Authority of Officers Through Supreme Councils

MOSCOW, May 17 (P).—Russia enlisted her army of 1,300,000 men today in a fight against followers of Leon Trotsky and against "espionage and sabotage."

The Kremlin decree established supreme military councils to dominate the army in both its new task and its normal defence functions and to provide a check against army commanders.

Hitherto dominant army commanders will be members of the new councils, but their orders must be countersigned by at least one other member of the council who will have close contact with the Communist party.

NO SINGLE COMMAND

Thus no single officer is in supreme command of troops, an action designed to minimize chances of any opposition developing within the army.

Designation of the councils was seen as a direct outgrowth of disclosure of sabotage and espionage set forth in the series of trials of confessed Trotskyist conspirators—who named the exiled revolutionary leader as chief conspirator.

The new councils will have supreme command in recruiting and training of all forces for national defence, and will be in control over civilian communications and labor connected with defence work—subject to the Commissar of War.

DANCING TEACHER SLAIN IN SUBWAY

Paris Police Face Baffling Mystery

—Body Found With Knife in Neck

PARIS, May 17 (CP-Havas).—Léa Laiton, Italian dancing instructor, died in a first-class subway car at the Porte Dorée station last night with a clasp-knife buried to the hilt in her neck, providing Paris police with one of the most baffling mysteries in recent years.

The dancer died without recovering consciousness.

She was dying when the train, grinding to a halt in the Porte Dorée station, pitched her body from the bench to the floor, the knife imbedded in her neck a few inches behind the right ear. The car was empty except for the body huddled on the floor.

Good Samaritan Struck Down by Hit-Run Driver

VANCOUVER, May 17 (P).—Ben York, a negro, was taken to the General Hospital in a serious condition with a fracture of the skull tonight after being struck by an automobile whose driver failed to stop.

Police learned York was assisting William James, a blind man, across a residential street when he was struck by the car. James was not struck.

Water Committee to Investigate Cutting Of Jack Lake Trees

City Council Seeks to Fix Responsibility—Offer of Kapoor Lumber Company to Compensate City to Extent of \$13,000 Accepted

AN offer of the Kapoor Lumber Company to pay \$5,000 for timber wrongfully taken from the edge of Jack Lake, to clean out the lake at a cost of \$6,000, and to pay \$2,000 for extension until December 1, 1938, of an agreement to log off portions of Goldstream watershed was accepted by the City Council last evening. The water committee was asked to conduct a searching investigation into circumstances surrounding the cutting of timber around the lake.

In adopting a recommendation of the water committee, the council granted the Kapoor Lumber Company permission to assign a portion of its timber licence to Leslie Bestwick, Claude Ashe, Roy L. Ashe and Sam Brothers. The council also approved a tender of W. T. Lawrie to install plumbing at Thetis Lake for \$243.

Recommendations of the finance committee that \$75 be granted Dr. O. M. Jones Chapter, I.O.D.E.; that James Burden be engaged as caretaker of the grain elevator at \$4 per day, pending foreclosure proceedings, and that an offer of \$40 from S. Roberts for a city lot in North Quadra district be accepted were adopted by the council.

WANT REPRESENTATION

It was decided to request directors of the W.C.T.U. Ida Street Home that the relief officer and chairman of the relief committee be allowed to represent the council at regular meetings.

HAS IMPORTANT APPOINTMENT

Dr. J. S. Plaskett, F.R.S.,
Named Scientific Consultant for Cleveland Firm

DR. J. S. PLASKETT, F.R.S.

Dr. J. S. Plaskett, former director of the Dominion Astrophysical Observatory at Saanich, but who retired from this position two years ago, has just received an interesting leisure-time appointment from the Warner & Swasey Company, of Cleveland, Ohio.

This is to act as scientific consultant for the firm, in which capacity he will advise them in astronomical and scientific matters with which they are brought into contact through their work as builders of telescopes and other scientific instruments.

Only a few days ago Dr. Plaskett returned from Cleveland, where he was called at the special invitation of the Warner & Swasey Company to observe the progress of the "figuring," or giving correct optical shape to the eighty-two-inch mirror which is being made for the McDonald Observatory of Texas, in which connection he was in constant consultation with the firm's optician. His appointment entails attendance whenever required at Cleveland, and also at sundry other meetings. In connection with the former, he will probably be called upon in the not distant future again to test and report on the eighty-two-inch mirror.

GIVEN SEAT OF HONOR

From Cleveland, recently, he went to Philadelphia to be present at the ceremony of the fixing of the last bolt in the tubing of the 200-inch telescope which is to be erected at Mount Palomar, California. He was given a seat of honor among other distinguished guests, including Professor Einstein and Professor Milliken, the well-known physicist, and the several other noted astronomers and scientists present on this occasion.

Since his retirement from the directorship of the Astrophysical Observatory here, Dr. Plaskett has spent seven months in England and Europe traveling, lecturing and studying.

The Warner & Swasey Company, it will be recalled, built the seventy-two-inch telescope here. Dr. Plaskett expressed much satisfaction at the friendly relations that had existed between himself and the firm over a period of twenty years. He had always found them most anxious to make the seventy-two-inch telescope the best possible, regardless of what it represented in return for themselves. Both Mr. Swasey and Dr. Brashear were here for the opening of the observatory in 1919. Dr. Brashear died a few years ago, but Mr. Swasey recently celebrated his ninetieth birthday. Dr. Plaskett is delighted that the friendship and business relations based on a mutual interest in science and engineering has now culminated in this close arrangement between the two, which, happily, leaves him free to enjoy with his family the quiet of the charming home on Armit Street to which they moved after he retired.

STATES MONEY SYSTEM SALTED

Social Credit Speakers at Rally Here Condemn Present World Finance

"The choice before us is not a choice between Social Credit and the present forms of government. It is a choice between Social Credit and dictatorship. Our present ideas of freedom and democracy in the world are coming to an end under the present system, and a continuation of this system will lead us to dictatorship."

This was the kernel of the argument presented by Norman Jaques, member in the Dominion Parliament for Wetaskiwin, Alta., who spoke in Truth Centre Hall last night in support of the four Social Credit candidates for the Provincial Legislature for Victoria City.

Mr. Jaques declared that, as a retired farmer, he had studied all the present-day forms of politics and all the social theories, but had found no solution for modern problems except in Social Credit, which "would create money for everyday and constructive purposes in the same way that the bankers had created money to finance the Great War."

BANKERS CREATE MONEY

It was nonsense, said Mr. Jaques, to say that bankers did not "create money." They issued credit, at good interest, to the ratio of ten to one against cash reserves.

The meeting, presided over by B. G. Moore, was addressed also by Mrs. O. H. Knudsvig, Colonel C. B. Messiter, Trustee P. E. George and F. Saxton White, local Social Credit candidates.

Mrs. Knudsvig read the platform of the Social Credit Party. If it were put into force, she stated, it

Kelowna Man Found Dead in Car After Seizure of Heart

PROVINCIAL Police solved the disappearance of Arthur Edward Henderson, of Kelowna, on Sunday, when they found his body behind the wheel of his car, parked in an out-of-the-way place at Monty Creek. The man had been dead for several days. Last seen alive at Kamloops on May 10, the late Mr. Henderson had been engaged on a business trip at that time. Death was believed due to heart failure. His widow and children at Kelowna were notified.

would "have thousands of men and women in British Columbia from turning Communist or Bolshevik."

SALTING WORLD FINANCE. Mr. White made quiet fun of the suggestion which had been made in some quarters that Social Credit "is not British." The present system, he said, under which a resident of Victoria received "money" in the form of a credit slip from British sources, endorsed upon it their faith in the security behind that slip and then turned it back to the banks, was certainly not British. Nobody knew that better than the British people, who were compelled to use that system.

"The Hedley Mine," he declared, "was nothing to the 'salting' which is going on in international finance and international business. World bankers are ending up with a recurring decimal on the wrong side of the books," he asserted. "Social Credit says this openly, and that is why we are so hated by the powers that seem to be."

Colonel Messiter said that Social Credit is "asking the electorate to use its own credit instead of letting other people use it for us. Instead of asking the banker to draw a cheque against our own resources, why not write our own cheques and have debt-free money?" he demanded.

FIND THE MONEY

Mr. George stated that when the bankers needed money to finance the Great War, they knew where to get billions, and food and goods were produced in plenty. By the same token, he said, "they will know where to find the money for a constructive social credit when we have sufficient members in Parliament to show them the way. At present," he asserted, "we are only electing rubber stamps—delegates from a party who are afraid to speak their minds." Under the existing social system, he concluded, 40 or 50 per cent of the population were "sitting pretty; the rest are on the edge of the abyss of unemployment."

HYDROGEN GAS STARTED FIRE

Survivor Found Himself Standing in Flames When Disaster Struck Dirigible

LAKEHURST, N.J., May 17 (AP).—A Hindenburg crew survivor, who suddenly found himself "standing in fire" when disaster struck the dirigible May 6, blamed today one of her sixteen hydrogen-filled gas cells for the start of the fire.

He had started paying out a Manila landing rope from a station at the tail fins when there was a muffled explosion and, without warning, flames poured down on him from above like water.

Hans Breund, the witness, said he felt no shock from static electricity handling the lines and noticed no static glow.

"There was a muffled detonation and I was standing in fire, it went so quickly," he said.

"How far were you from the source of the fire?" "I was surrounded by fire. It came, of course, from above. I had the impression it was a gas cell."

ANNUAL REPORT TO BE PRINTED

Operations of City for 1936 Show Operating Deficit Of \$61,526.28

Printing of the annual report for 1936 was ordered by the City Council last evening. The year's operations showed a deficit of \$61,526.28.

A profit of \$55,292.74 was shown in operation of the Sooke Lake water system, but a loss of \$14,025.01 from the Goldstream system, making the net profit on water \$41,267.73.

According to the figures of Lumay, Bolton & Holden, arrears and delinquent taxes totaled \$631,769.44. The sinking fund showed a shortage of \$418,602.48 below by-law requirements. Receipts of the city were shown as \$3,064,642.52.

NOT AFFECTED BY HIS SUSPENSION

A. M. Stephen Not an Independent Candidate in Provincial Election, He Declares

NANAIMO, May 17.—Before a crowd that filled the Odd Fellows' Hall, A. M. Stephen, poet and lecturer, declared that he was the C.C.F. candidate, and not an independent candidate, in the Nanaimo-Alberni riding, despite the fact that his suspension from the party had not been lifted by the Provincial C.C.F.

The Liberal campaign was advanced here tonight at a public meeting, held in the Eagles' Hall, when Hon. George Pearson, Minister of Mines, in a two-hour address

to a capacity audience, was given an attentive hearing. Mrs. Helen Douglas Smith supported Mr. Pearson in an address, entitled "Work and Wages."

LONDON STILL FILLED WITH HUGE CROWDS

LONDON, May 17 (AP).—Immense crowds again packed the West End all day today, trooping along the route of Wednesday's Coronation procession and flocking into Westminster Abbey where officials estimated 20,000 entered during the day.

L. F. Osborne Given Good Reception by Saanich Gathering

Conservative Candidate Reviews Record of Liberal Government and Tells of Costs of Traveling, And Deals With Health Insurance Scheme

DESCRIBING British Columbia, under Liberal administration, as a "playground for politicians," Leslie F. Osborne, Conservative candidate for Saanich, opened his speaking campaign with a well-attended meeting at St. Luke's Parish Hall, Cedar Hill Road, last night. He was supported on the platform by Bruce A. McKelvie, Conservative candidate for Victoria, and R. A. Wootton, barrister. T. Anderson was chairman.

With well-marshaled facts, Mr. Osborne reviewed the Government's record with regard to expenditures, paying particular attention to "traveling expenses of Government officials and employees." Mr. Osborne stated public accounts showed a total of \$507,306 under the heading of "traveling expenses." That amount, he said, was more than the amount paid out for old age and mothers' pensions and greater than the cost of maintenance of "mental hospitals" and twice the amount placed in the sinking fund of the Province in the current year.

HEALTH INSURANCE
"Is it just that a scheme such as the Health Insurance should cost \$184,723.04 and never even started?" Mr. Osborne asked. He also charged employees of the board were receiving wages as high as \$20 a day. He characterized the scheme as "a

already announced building of the West Coast Road, and courthouse and West Coast Road always go together. I will save the Premier the trouble and announce now the Government has already secured the site, which makes five sites already," he said. "I wonder if he thinks he can buy the voters of Victoria with our money?"

Mr. McKelvie observed that considerable part of the cost of the \$25,000 grant by the Government to Victoria's Jubilee celebration and the promise of more if re-elected. "Do they think they can buy the votes of the lower half of Vancouver Island with fireworks?" Mr. McKelvie asked. He also reviewed extensively the situation concerning the new Pattullo Bridge, annexation of the Yukon and the famous S.P.A., which, he declared, was an "entire abrogation of all principles of responsible government. It was the creation, in fact, of Fascism."

CONSERVATIVE AIMS
Mr. Wootton spoke principally of the platform of the Conservative party. He referred to the proposal to reduce the membership of the Legislature by one-third, betterment of conditions among the workers by fostering co-operation between employer and employee, the setting up of a road commission and the removal of the Civil Service from politics.

Mr. Wootton said of Mr. Osborne: "He is a young man and one of great promise. He has been a resident of Saanich all his life and that should be an essential qualification for a candidate in any constituency. He has a keen appreciation of the needs of the riding he will represent in the Legislature and deserves your support."

Bust of Premier For New Bridge?

Bruce A. McKelvie, Conservative candidate for Victoria, speaking at a public meeting in Saanich last night, said he understood a sculptor had been engaged in Vancouver to make a bust of Premier T. D. Pattullo to adorn the Mainland approach to the new bridge when completed. He said he had no confirmation of the report.

RARE MOTH IS CAPTURED HERE

L. A. Gould, of Colwood, Catches Beautiful Specimen of "King Moth"

Collectors of moths and butterflies will be interested in a beautiful specimen of the heterocera caught by L. A. Gould, at Wishing Well, Island Highway, last Sunday evening. Aside from its size, measuring between four and five inches across the wings, it is beautifully marked with colors blending from a soft pink to mauve and light brown. On each wing is a yellow spot and the antennae are oval-shaped.

Although there are many varieties of moths on the North American continent, the Ghost and the Swift some times measuring between five to eight inches, the specimen found by Mr. Gould is frequently referred to as the "King Moth," but probably its real name is *Eacles imperialis*, not uncommon on the continent, but rare on Vancouver Island, especially in point of size.

Mr. Gould has kindly sent the specimen to the office of The Daily Colonist and it has been placed on view in one of the Broad Street windows. Mr. Gould particularly asks collectors to view the specimen and especially Francis Kermode and Rev. Robert Connell. He suggests the specimen be preserved for the Provincial Museum.

Obituary

HOOPER—The death occurred at Royal Jubilee Hospital, on Sunday, of Miss Evelyn Rosemund Hooper, Christmas Avenue, aged seventy-one years. She was born in India, came to Canada sixteen years ago, and for the past seven years had been living in this district. She was the daughter of the late Major-General George S. Hooper and is survived by her sister, Miss Rohala Hooper, at the residence. Funeral services will be held this afternoon at 2 o'clock at St. Luke's Church, Cedar Hill, the cortege leaving Hayward's B.O. Funeral Chapel at 1:45 p.m. Rev. S. Ryall will officiate and interment will be made in St. Luke's Churchyard.

PAUL—There passed away, Sunday, at Royal Jubilee Hospital, Mrs. Elizabeth Eva Paul, wife of Alex. S. Paul, 1803 Belmont Avenue, aged thirty-nine years. She was born in Victoria and is survived by, besides her husband, one son, Blayney Edward, and three daughters, Elizabeth S., Gertrude J., and Margot B., all at home; her mother, Mrs. H. J. Scott, Victoria; four brothers, Matthew H., Berkeley, William G., Victoria; T. Brainerd, Port Alberni, and S. D. Scott, McMaisterville, Que., and two sisters, Gertrude, Victoria, and Mrs. Constance K. Henderson, Vancouver. Funeral services will be held in Hayward's B.O. CHALLENGER NEAR COAST

Patrol Boat Faunce Will Convey Greetings to Yacht Endeavour II

BRISTOL, R.I., May 17 (AP).—T. O. M. Sopwith's Endeavour II, built in his second challenge for the America's Cup, most cherished of all yachting trophies, approached the New England coast tonight.

The coast guard patrol boat Faunce will be the first to meet her and convey greetings to the British invader. The Faunce will escort the big racing sloop and her convoy, the John, a little Belgian fishing trawler, to Newport, scene of the forthcoming international sailing contest, thence up Narragansett Bay to Bristol.

Here, the Herreshoff Shipyard has orders from Sopwith to prepare Endeavour for her attempt to lift the cup, which has eluded Britishers ever since the schooner yacht America brought it from England in 1851.

Somewhere in Endeavour II's wake is Endeavour I, Sopwith's unsuccessful challenger of 1934. Sopwith has said he would not decide until after a series of trials which of the two sloops he would use in his second bid for the cup.

RANGER DISMASTED

Awaiting Endeavour II at the Herreshoff yard is Harold S. Vanderbilt's newly-constructed defence aspirant, Ranger, dismantled Saturday off Gloucester, Mass., while under tow from Bath, Maine, to Newport.

A mast, formerly used by Rainbow, the boat with which Vanderbilt defeated Endeavour I three years ago, is now adapted for use by Ranger while a new spar is being constructed at the Bath Iron Works, where she was launched last Tuesday. Rainbow, also fitting out at Bristol, now is owned by Chandler Hovey, and she and Gerard B. Lambert's Yankee will fight it out in trial races with Ranger for the honor of defending the cup.

SAYS ARREST MADE IN CITY

Counsel Contends Saanich Police Exceeded Powers in Chinese Case

Taking of evidence in the charge against Lore Ching of having driven to the common danger when, early in the month, he was arrested with other Chinese by the Saanich police near Harriet Road, which is the boundary line between the municipalities of Victoria and Saanich, was concluded in Saanich police court yesterday. In addition to the charge of common danger driving laid against the accused, he and others are charged with various other offences, including assaults upon the police.

There arose in connection with the taking of the evidence for the defence as conducted by Stuart Henderson, a technical point which will play a part in some of the other cases when they come up. This was that the arrest of the Chinese was not within the Municipality of Saanich, but in the city, and that the Saanich police were not within their rights in so making arrests.

PROCEDURE ATTACKED
This turn in the proceedings brought forward the calling, yesterday, of V. Cory in rebuttal by C. Harold Tait, Saanich prosecutor. Mr. Henderson objected to the procedure. Magistrate H. C. Hall, however, felt that he should allow the evidence, but he would allow the defence every opportunity to combat it.

Mr. Cory testified that he had

JOIN THE ... DODGE Switch PARADE

LEARN WHY MOTORISTS EVERYWHERE ARE SWITCHING TO DODGE AND ARE SAVING MONEY RIGHT FROM THE START

THE "SWITCH" TO DODGE has become a Parade. Thousands who formerly owned more expensive cars switched to new 1937 Dodge cars and found greater luxury, easier riding, greater economy of operation—and they are proud to be seen in their Dodge cars anywhere!

Mr. Melvyn F. Thomas, writes: "... we made a tour from Toronto to southern Florida... covering 4302 miles in all kinds of weather. We used 215 U.S. gallons of standard quality gasoline which is equivalent to 24 miles per Canadian gallon."

Sales more than Double

More than twice as many Dodge cars were purchased in the first 3 months of 1937 as in the same period last year. Owners like Mr. Thomas are the best Dodge salesmen—and there are thousands of them. Talk to a Dodge owner yourself.

Then go to your Dodge dealer and DRIVE a new 1937 Dodge. Note the luxurious comfort

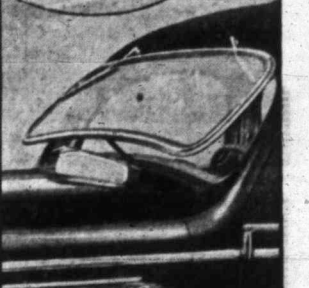

of the "chair-height" seats. Hear how quietly a Dodge glides along—even on rough pavements. Dodge "hush-point" body mountings absorb road noises. 4 aero-type hydraulic shock absorbers together with Dodge weight distribution combine to make the famous Dodge "Airglide Ride!"

Years have proved the perfection of Dodge Hydraulic Brakes and all steel safety body. You need the protection of these safety features for yourself and your family. Beauty, luxury, safety and economy are yours when you buy a new 1937 Dodge. Drive one to-day!

Premier Has Five Speaking Fixtures In B.C. Campaign

PREMIER Pattullo will address election meetings at Vancouver on Thursday, Mission on Friday, Chilliwack on Saturday, broadcast from his offices here on May 25, and speak at Sidney on May 27, he announced yesterday. The Premier returned on Sunday afternoon from an air tour of North Coast ridings. On May 31 he will send G. G. McGeer, K.C., M.P., north by plane to conclude the campaign at Alert Bay and Prince Rupert, the Premier said.

University women were entirely free of prejudice. Appreciation of Miss Newman's address was expressed in the presentation of a beautiful bouquet.

MANY PERMITS ARE TAKEN OUT

New Construction Valued at \$11,315 to Be Undertaken Within the City

Permits for new construction valued at \$11,315 were taken out at the city building inspector's office yesterday. Officials put the sudden rush down to the reduced city taxes and an indication that builders' supplies and wages showed a tendency to increase.

A permit for \$1,000 was secured by Mrs. Bertha Dowell to alter a residence at 166 Joseph Street into a duplex dwelling. W. B. Dillabough is the contractor.

W. R. Gibbons, 1434 Hillside Avenue, secured a permit for \$2,250 to erect a one and one-half story stucco dwelling.

A permit for \$1,265 was taken out by G. W. Robinson, 1230 Broad Street, to construct a twenty by

Many Are Present at Funeral Rites

THE LATE THOMAS A. HOLLINS Funeral services for the late Thomas Arthur Hollins, for many years a valued employee of The Daily Colonist lithographing department, were conducted yesterday afternoon by Rev. Dr. Andrew D. Reid in the presence of a large congregation of sympathizing friends. The hymns, "Abide With Me" and "O God, Our Help in Ages Past," were sung. Many beautiful floral tributes were received. The casket was draped with the Union Jack. The remains were laid at rest in Colwood Burial Park, with the following members of the Royal Arcanum as pallbearers: P. A. Willis, Douglas Flintoff, H. D. Applegate, Douglas Park, D. W. Spence, George Stevens.

forty-foot workshop at the rear of his premises. E. C. Clarkson is the architect and Albert Parfitt the contractor.

A. J. Morley, a former mayor of the city, secured a \$2,500 permit to erect a five-room dwelling at 1264 Montrose Avenue. It will be the third home Mr. Morley has built on the street within the past six months.

James Small took out a permit for \$4,000 to rebuild a row of six houses at 272-282 Superior Street into apartments.

C.C.F. PLAN IS OUTLINED

Mrs. Angus MacInnis and City Candidates Advocate Public Ownership

Mrs. Angus MacInnis, three of the four Victoria C.C.F. candidates and F. L. Cammiad addressed a well-attended rally of the Co-operative Commonwealth Federation in the Chamber of Commerce Auditorium last evening, with Welsh Lee in the chair. Nigel Morgan, Mrs. K. A. Bell and James J. Walker, city candidates, spoke, and the absence of W. B. Caird, a fourth candidate, was explained on the ground of ill health.

Granted five minutes on the platform, Mr. Cammiad, secretary of the Unemployed Workers' Association, asserted that the city was using relief funds and relief labor for boulevard and other ordinary civic works, while at the same time it had reduced its normal volume of maintenance work. When the city cut \$10,000 recently from its relief budget, it deprived the unemployed of \$50,000 in assistance by loss of additional Government grants, he argued. Relief, Mr. Cammiad concluded, was aiding the city but not the unemployed.

CANDIDATES SPEAK James J. Walker, formerly of Ganges, but now resident here, contented himself with a brief self-introduction on the platform, in which he asserted C.C.F. radio notices had been omitted in one section of the local press. He appealed to the audience to subscribe to The Federationist, the organ of that party.

Mrs. K. A. Bell said the C.C.F. stood for protection of human lives and for improvement in conditions under which people lived and worked. Social ownership, she contended, would permit people to retain their private possessions and would reduce living costs for them.

INSPECTED PLANT

Nigel Morgan described a visit to the Seattle-owned light and power plant, on Coronation Day, and gave a digest of results he said had accrued there from public ownership of the utility. Public ownership of part of Seattle's electric supply had reduced rates by 40 per cent all round; doubled the demand for the civically-owned current every five and a half years; produced 24,000,000 kilowatt hours from the new Skagit dam; and returned \$335,000 thereby to the people, and had increased use of electricity for household appliances.

Seattle's public light and power enterprise paid \$365,000 in taxes; made an allowance of \$45,000 to city coffers, for the time of civic employees, and gave \$72,000 worth of light and power "free" to city services every year, Mr. Morgan concluded.

MRS. MACINNIS Mrs. Angus MacInnis said that old-line parties contended that the way to ameliorate depression conditions was to assist private enterprise by bonuses, legislation and other means. The C.C.F. believed in the restoration of values created by the people to the people, through public ownership.

Conservatives, she stated, had bonused industry through textile and other tariffs. Liberals had bonused industry directly, by loans to the transcontinental railways to create works. The "good cheer" budget of Hon. Charles Dunning had told of economic recovery but could point only to a 5 per cent reduction in the number of people on relief.

The C.C.F. proposed a survey of the people's needs, and social ownership of the means of production, together with higher taxes on large incomes and large corporations, in short-range and long-range programmes. The party would support the health insurance plebiscite, though against the present statute. Mrs. MacInnis closed with a review of social services in Sweden. A silver collection was taken to defray costs in the campaign. E. J. Garland is to address a C.C.F.

rally at the Chamber of Commerce rooms on Saturday evening, and J. S. Woodworth, M.P., national leader of the party, will speak here on May 29, at the City Temple, it was announced.

PREMIER IS TO SEND GREETING

G. G. McGeer, K.C., M.P., Will Carry B.C. Message To San Francisco

Premier Pattullo announced yesterday that he was sending G. G. McGeer, K.C., M.P., to San Francisco on behalf of the Province on May 20 to represent British Columbia at the ceremonial opening of harbor bridges there. Mr. McGeer will carry South with him an illuminated address signed by the Premier.

The wording of the scroll, which has been handsomely executed with a hand-painted miniature of the Legislative Buildings, was announced by the Premier as follows:

"SUBLIME CONCEPTION"

"Hon. Angelo J. Rossi, Mayor of San Francisco:

"Dear Mr. Mayor:—The people of British Columbia join warmly in your jubulations upon the opening of the Golden Gate Bridge. This bridge is not only a sublime conception and a triumph of engineering skill, but also a notable contribution to the cause of human progress.

"In this modern world of life and movement it may truly be said that the extent and frequency of its roads and bridges is an infallible index of the peoples' progress.

"May I extend to you, Sir, and through you to the people of San Francisco and California, the cordial congratulations and felicitations of the people of British Columbia.

"Very sincerely yours,
"T. D. PATTULLO,
"Prime Minister."

Very many of the letters praise the fact that Pacific Milk is a B.C. product. Now there is just one reason why this is so. The writers are 'pleased' with the excellence of the milk, and the soil, climate, pasture and water of British Columbia are the things that make it good and wanted, a better milk because British Columbia produced it.

CANDIDATES AT OAK BAY

Mrs. H. P. Hodges, Ald. W. T. Straith and Byron Johnson Speak

Three of the Victoria Liberal candidates in the forthcoming Provincial elections, Mrs. H. P. Hodges, Alderman W. T. Straith and Byron Johnson, addressed a large gathering in the Oak Bay Theatre hall last evening. Carew Martin also spoke and H. A. Beckwith was in the chair.

Endorsement of the new curriculum in British Columbia schools, social services and hospitalization formed the basis of Alderman Straith's address. In addition to enumerating the accomplishments of the present administration.

With the new junior high school system, he said, boys and girls were able to follow the line of education most useful to them. No longer did students have to take the courses that groomed them for the uni-

versity, to which only one in ten went. Their education would be directed into channels for which they were adapted, thus making it more interesting and easier to learn, he stated.

The abolition of final examinations under the new system was a point the speaker stressed. In addition to all this, the new system saved money for the community.

IN OUTLYING DISTRICTS
Alderman Straith also spoke of the good work done by Dr. Weir's department for the outlying districts, in the centralization of administration of school districts and the establishment of trustees for sparsely-populated settlements. Correspondence courses were also a benefit to children living in these outlying sections of the province, he said. By insisting on a higher standard for teachers, the Province was guaranteeing a better education for students. At the present time, he stated, British Columbia was reputed to have the finest educational system in Canada.

Restoration of the hospital grants and the establishment of traveling as well as stationary clinics were other accomplishments of the Government, Alderman Straith said.

MRS. H. P. HODGES
Mrs. Hodges stated she did not expect "to turn the world upside down," nor would she make any election promises. However, the time has come, he said, for women to take an active interest in the affairs of government. She also paid high tribute to the accomplishments of women politicians in the Provincial House.

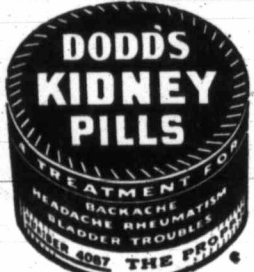

Benefits accruing from the Minimum Wage Act, mothers' pensions and hospitalization, in addition to the accomplishments of the health education instituted by the Pattullo administration, were outlined by the speaker. Mrs. Hodges criticized the former Tolmie Government for reducing mothers' pensions, as an economy move, and pointed out that they had been restored by the Government now in power.

BYRON JOHNSON
Byron Johnson gave a general review of the Pattullo administration and spoke on the benefits of the Dominion Housing Act. In view of the fact that a commission would shortly be formed to investigate taxation across the Dominion, he urged a return of the Liberal Government, which could present the case of the province clearly.

The speaker quoted figures comparing the subsidies received by British Columbia with the rest of the Dominion. In each case this province was far below the rest of Canada in Federal assistance given. He also regretted the fact that, until recently, practically no money was being loaned in the province for building under the Housing Act. British Columbia seemed to be considered a bad risk by Eastern companies, in spite of the fact that the bonded indebtedness of the city of Montreal alone was greater than that of this Province.

SEVEN HURT WHEN DRIVE SHAFT SNAPS

NEW WESTMINSTER, May 17 (P).—Seven persons were recovering from minor injuries today after a narrow escape from death when the drive shaft of the car in which they were driving snapped last night. The vehicle, driven by Arthur Robert Hardington, Vancouver, went out of control, overturned and rolled down a steep grade. It was totally wrecked.

City and District

Equumait Ratepayers—Equumait Ratepayers' Association will meet in St. Paul's Parish Hall tomorrow night at 8 o'clock.

Premises Entered—Ship Chandlers, Ltd., 1214 Wharf Street, informed police yesterday their premises had been entered over the week-end. Detectives Henry Jarvis and William Stark found nothing missing.

Tulips Stolen—A large quantity of tulips were stolen from her front garden, Mrs. L. Parrott, 1620 Camosun Street, reported to police yesterday. Constable Stephen Dunnell investigated.

Attempted Theft—Thieves attempted to remove two large sheets of corrugated iron from a yard on the corner of Gladstone Avenue and Fernwood Road, Aaron Parritt told police yesterday.

Ward One Liberals—Ward One Liberal Association will hold its monthly meeting in the Victoria West Liberal Social Club rooms, 414 Skinner Street, on Thursday at 8 p.m. All Ward One members are requested to attend.

Music Teachers—The regular meeting of the Victoria Music Teachers' Association will be held Wednesday morning at 10 o'clock at the Y.W.C.A. As there is much business on the agenda, a good attendance is asked.

C.C.F. Meetings—Mrs. Grace MacInnis, daughter of J. S. Woodsworth, M.P., national president of the C.C.F., will speak with the candidate for Equumait, Don Smith, at Cobble Hill and Bamberton this evening. The same speakers will be at Sooke Hall on Thursday night.

Credit Granters to Meet—The Credit Granters Association will have their weekly luncheon at David Spencer, Ltd., today at 12:10 noon. Fred Holden, chartered accountant of the firm of Iamay Boiston Holden & Company, will give an interesting talk.

Will Speak Tonight—The Saanich Social Credit Association has arranged for J. H. Blackmore, M.P., leader of the Social Credit party in the House of Commons, to address the public meeting to be held tonight at Alex's Hall, Burnside Road, at 8 o'clock.

Flower Competition—In order to promote floral decoration of the city, the seventy-fifth anniversary celebration committee plans to organize a competition for window boxes among city merchants. Judges will inspect boxes in August. Special prizes will be given.

New B.C. Building—One bid only was submitted for construction of a new Provincial office building at New Denver, when tenders were closed yesterday at the Legislative Buildings. This was from A. McL. Adair, submitting a price of \$9,472 to replace a burned office building formerly used at New Denver.

Film Society Meeting—The Victoria branch of the National Film Society will hold its last mid-monthly showing of sixteen mm. films at the Oak Bay Theatre Hall at 8 o'clock on Wednesday evening. Fred Spencer will show unusual scenes of London and other films. The election of a permanent executive will take place.

Accidental Death—A coroner's jury yesterday returned a verdict of accidental death following the hearing of evidence of an accident at the intersection of Yates and Blanshard Streets on May 9, which resulted in fatal injury to Donald McGregor. Victor Dear, driver of the automobile, was freed from blame by the jury.

Man Injured—Thrown off a motorcycle in charge of W. Matthews, Seaview Road, on the corner of Blanshard and Broughton Streets, Sunday evening, Alex Croft, Cedar Hill Crossroad, was taken to the Jubilee Hospital to be treated for concussion by Dr. J. W. Lennor. Constable Samuel McKenzie attended.

Move is Expected—While not yet officially advised as to the removal of his office as Indian agent from Victoria to Vancouver, Major D. M. MacKay said yesterday that the move was anticipated. Eighteen of the reserves under the care of his office are located on the Mainland, he said, and the present Victoria offices were regarded as unsuitable.

Road Tenders Called—Three additional sets of road tenders were called by the Provincial Government yesterday for reconstruction on the Island Highway and at Alberni. Tenders for the inland diversion of the Island Highway at Cowichan Bay and for work at the summit on Alberni Mountain are returnable at noon on May 25. Bids are asked also on reconstruction north of Nanaimo and towards Menzies Bay on the Island Highway, returnable at midday on May 21.

TELLS EXTENT OF ROAD WORK

Norman W. Whittaker, K.C., Outlines Accomplishments Of Liberal Party

An outline of the extent of road work carried on in Saanich by the Liberal Government and the proposed Department of Trade and Commerce was given by Norman W. Whittaker, K.C., Saanich Liberal candidate, at a public meeting at Royal Oak Institute Hall last night.

The present administration had spent \$71,000 on roads in Saanich, the speaker said, and was responsible for the construction of both the East and West Saanich roads, in addition to part of Gorge Road and Scott Road. The policy of the Government, he said, was not only to give work, but to have some permanent results to show for the money spent.

Dealing with the proposed Department of Trade and Commerce, Mr. Whittaker remarked that its purpose was to find wider markets for agricultural and other products. At the present time, he pointed out, the farmer finds it difficult to dispose of his surplus after the local demand has been met. If the new department functions as planned, the farmer would be placed in a position where he could produce as much as he wished and still have a market for his surplus produce.

Mr. Whittaker also spoke on British Columbia's claim for better terms and increase in the annual subsidy from the Federal Government. Remarks on social welfare and health service as administered by the present administration were included in the speaker's address. In conclusion, Mr. Whittaker spoke on the Department of Labor and the benefits accruing from the Minimum Wage Act.

The Great Distinction between Electrolysis and all other treatments for the removal of superfluous hair is that it is absolutely sure, and permanently destroys the hair instead of temporarily removing it from the surface; and the pain is just the ordinary stinging sensation peculiar to all electrical treatments, so truly there is nothing to be afraid of, not even the cost! GEORGE J. BRADY PASSES AT HOME

Local Businessman Died Sunday Of Heart Attack—Funeral Rites Tomorrow

George Joseph Brady, well-known local businessman, passed away at his home, 51 Moss Street, early Sunday evening, in his fifty-seventh year. Mr. Brady had been in ill-health for some time, suffering from a heart ailment.

Born in Lindsay, Ont., he came to Victoria in 1910, where he was employed with Rithet's Consolidated, Limited. He later joined the firm of Fisher & Leiser, and following this, was associated for years with Gillespie, Hart & Company, where he was in charge of the real estate department up to the time of his death.

Mr. Brady was at one time a member of the Pacific and Rotary Clubs, and had been an active member of the Knights of Columbus. He is survived by his widow and two children, Elizabeth (Betty) and William, at the family residence; one sister, Mrs. L. V. O'Connor, wife of Judge O'Connor, Coburg, Ont., and two brothers, Thomas Brady and Dr. Emmett Brady, both of Cleveland, Ohio.

Prayers for the repose of the deceased's soul will be said tonight at 8 o'clock in Hayward's B.C. Funeral Chapel. Funeral services will be held on Wednesday morning, the cortege leaving the funeral chapel at 8:45 o'clock and proceeding to St. Andrew's Cathedral, where Mass will be celebrated at 9 o'clock by Rev. Father J. A. Gaudette. Interment will be made in the family plot in Ross Bay Cemetery.

Social Activities and Notes of Personal Interest

Empire Day Music Will Be Played

At the many functions held in connection with the recent Coronation, the musical programmes have created widespread interest, and the music-loving public has shown new interest in the works by British composers. The musical part of the service at Westminster Abbey consisted of music entirely by British writers of the Tudor period up to the present day, represented by C. Vaughan Williams' brilliant "Te Deum," performed by the large choir, orchestra and organ. In Victoria there was a fine programme of British composers, in Christ Church Cathedral.

Next Sunday evening, in commemoration of Empire Day, a twilight organ recital will be given in the First Baptist Church by J. Smith, acting organist. The programme, which will be given from 7:00 to 7:30 p.m., consists of works by outstanding British composers, notably Elgar, C. V. Stanford and Vaughan Williams. The following items will be given:

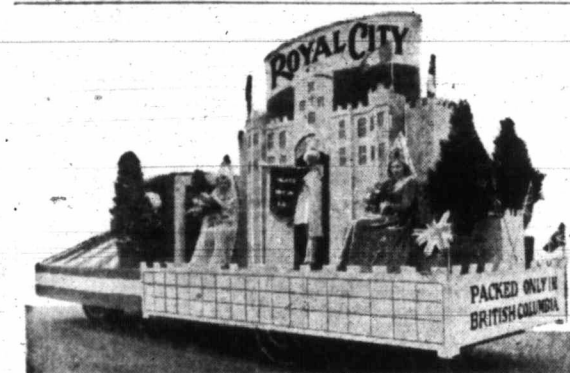

"Trumpet Tune and Air," Henry Purcell; "Idyll," Edward Elgar; "Air and Variations," W. T. Best; chorale, prelude on "Lovely," C. Vaughan Williams; prelude on "Melcombe," C. H. H. Parry; postlude, "Allegro in G," C. V. Stanford.

The morning music includes works by Henry Smart and S. S. Wesley.

CONFERRED WITH RELIEF OFFICER

Victoria Unemployed Point to Increase in Cost of Living Expenses

Accompanied by Mayor Andrew McGavin and Alderman John Worthington, who explained that the city of Victoria could not initiate any changes in relief allowances, a delegation of the Victoria Unemployed Association met relief officials of the British Columbia Government yesterday.

A delegation of men and women under H. Allman interviewed E. W. Griffiths, British Columbia relief administrator, to point out sharp increases in the cost of living, and to ask for a 30 per cent increase in relief allowances with respect to food, and a rental allowance of \$10 monthly, compared with \$5.50 now. Representations made were taken under consideration by provincial officials, with the explanation, however, that the issues raised were those of policy, which the Government alone could decide. Hon. G. S. Pearson, Minister of Labor, was out of town during the day.

Meanwhile, Federal relief grants are being actively decreased.

Harry Davis Again Heads Theatre Club

At the monthly meeting of the Victoria Little Theatre Association, held recently at the clubrooms, Rockland Avenue, the election of officers took place. The following members were returned by acclamation: H. J. Davis, president; Miss Mae Murray, secretary; H. J. S. Reynolds, treasurer, and L. Lamb, production manager.

Others elected by ballot were: Vice-president, Captain B. O. Breton; assistant secretary, Miss Ann Breton; chairman of play-reading committee, W. B. Crawley; convener of social committee, Mrs. D. H. Whyte; convener of programme committee, Mrs. Duncan MacBride.

Two one-act plays were presented, the first, "The Test," by Rose Payleman, being given by the juniors, under the direction of Miss Audrey Wood. The second, "In Our Stars," was directed by W. B. Crawley, the following taking part: Miss Cicely Holmes, Miss Kay Johnston, Mrs. "Pat" Fairweather, A. Long, E. McLaren and A. Goward. Refreshments were served.

What Today Means

"TAURUS"

If May 18 is your birthday, the best hours for you on this date are from 8:30 to 10:30 a.m., from 2:30 to 4:30 p.m. and from 8:30 to 10:30 p.m. The danger periods are from 6:30 to 8:30 a.m., from 4:30 to 6:30 p.m. and from 10:30 p.m. until midnight.

You will have an exceptionally good day, if you can keep yourself in a good-natured state of mind. False pride will be the stumbling block on the road to success this day. You may accomplish much more by persuasion than by being pert or caustic. Quick thinking may save you from embarrassment, so be constantly alert. If you permit fear to dominate your consciousness, a demoralizing state of mind most likely will follow. Those who worship mammon this day will be disappointed in their results, for money is apt to prove a secondary consideration with most people whereas right principle, particularly where money is concerned, will be an influence for much good. Married and engaged couples, as well as those whose love has been tested and proved to be enduring, must plan with care this day to avoid mistakes.

If a woman and May 18 is your birthday, you may have to learn to control any inclination you may have to become easily agitated. Take things calmly and you will accomplish ten times more than if you do things in a highly excitable manner. Money will enable you to do many worthwhile things, and by having sufficient faith the chances are you will have all that you need of it. You must be optimistic so you will be in a receptive frame of mind when opportunity pays you a visit. Avoid close association with the "down in the mouth" type of individuals, for they may have a depressing effect upon you. Perhaps some great love will kindle your greatest aspirations. As a teacher, musician, author, business woman, actress or social welfare worker you may receive flattering recognition. If you marry wisely you should be very successful socially or in a business way with the co-operation of your husband.

The child born on May 18 is apt, following adolescence, to display a firmness of character and evidence of ambition that will give promise of a bright future. Encouragement and educational advantages are all this youngster needs to get it started in the right direction.

If a man and May 18 is your natal day, you ought to have the art of good salesmanship. Sincere efforts on your part should be well rewarded. As an artist, actor, lawyer, politician, contractor, engineer, scientist or salesman you may end up as becoming a very wealthy man.

THREE COMMITTEES STARTING BUSINESS

Continued from Page 1
icy or a plan of Empire defence adopted as a conference decision, binding upon all the Empire units, has already been ruled out of court. The task of the conference is to harmonize, not centralize. But even full harmony cannot be secured without difficulty. Autonomous within the British Commonwealth, the views of the Dominions in respect to foreign policy by no means always agree with those of the United Kingdom.

DISTINCT OBLIGATION

The United Kingdom is under obligation to give assistance to Belgium and France if they are victims of unprovoked aggression. This obligation is distinct from the general

obligation under the League of Nations Covenant.
None of the Dominions accepted the Locarno Pact that guaranteed the peace of Western Europe for ten years. It is unlikely they now would be willing to accept the British obligation to France and Belgium.
Great Britain and the Dominions are separate members of the League of Nations. They are all bound by the provisions of the League Covenant. But their attitude toward collective security under the Covenant differs.
Australia already has submitted one concrete proposal to the conference which may bear fruit. It is the conclusion of a Pacific Ocean non-aggression pact. Under the proposal Great Britain, New Zealand, Canada, Japan, the United States, Russia and France, all of whom are vitally interested in the Pacific, would take part in a conference, probably at Tokyo, to negotiate a "regional understanding" pact of non-aggression.
Melbourne press comments on the proposal indicate "regional understanding" would carry with it the obligation to give military help in the event of an attack on any member agreeing to it.

Tea Party Given

Mr. and Mrs. C. A. Cornwall, Elford Street, entertained at a delightfully informal tea on Sunday afternoon, in honor of their daughter, Helen. Spring flowers decorated the rooms and the tea table was presided over by the Misses Mary McMillin and Barbara Muttibury. The invited guests were Misses Ray Adamson, Thea Arbuthnot, Yvonne Archibald, Wendy Baillie, Helen Belford, Betty Bleakney, Alisa Brindwood, Edith Brown, Sonia Cowan, Eleanor Drummond, Phyllis Gibson, Jean Grant, Valentine Harlock, Angela Harriash, Vivian Harrison, Joyce Harvey, Doria Jones, Margaret Jukes, Yvonne Jukes, Yvonne Lowden, Mary McMillin, Barbara Muttibury, Wendy Pinhorn, Buntie Sloan, Margaret Smith, Vera Smith, Margaret Sutcliffe, Joyce Thomson, Muriel Uthoff, Rosemary Williams, Georgiana Wilson, Gloria Wilson, Helen Woodcroft, Mary Worsley, Peggy Collier-Wright, Sylvia Collier-Wright, Priscilla Wright, Gwen Wright and Cynthia Yarrow.

Birthday Party

An enjoyable party was held on Saturday night at the home of Mr. and Mrs. G. W. Cessford, 423 Edward Street, in honor of Mr. Cessford's birthday. Cards were played and the prizes were won by Mrs. A. Wilson, Mr. W. Dodd, Mrs. W. Churchill, Mr. A. Thomas, and a special prize by Mrs. B. Lohbrunner. The table was covered with a lace

cloth and centred with a basket of red tulips, narcissi and bluebells. The invited guests were Mr. and Mrs. A. Wilson, Mr. and Mrs. H. Medley, Mr. and Mrs. A. Thomas, Mr. and Mrs. M. McDonald, Mr. and Mrs. W. Churchill, Mr. and Mrs. J. Dodd, Mr. W. Dodd, Mr. W. Whitlaw, Mr. J. Lohbrunner, Mrs. M. Cessford, Mrs. V. Thompson, Mrs. I. Wensley, Mrs. B. Lohbrunner, Miss I. Irwin, Miss I. Whitlaw and Miss M. Cessford.

Presentations Made

Three presentations were made at the social held last night by the Fairfield United Church Choir at the home of Mrs. A. H. Gaiger, 3015 Quadra Street. The president, Mr. L. Abbott, presented to Mr. Cyril Warren, who has been appointed conductor and organist of First Baptist Church in June, a metronome, on which was inscribed his name and that of the choir and the date, a small token of appreciation from the members for his faithful work as choir leader and organist of the church. To Mr. Lantrow, who was married recently, a bridge lamp was presented, and to Mrs. White, a former member of the choir, a pair of gloves was presented. The evening was spent in playing games and music, and supper was served from a table attractively arranged with Spring flowers.

Surprise Party

Members of the Fellowship Circle of the King's Daughters paid a surprise visit to their leader, Mrs. H. V. Mills, last evening, in her apartment in the Montrose Hotel, to welcome her back from Vancouver. The occasion was also Mrs. Mills' wedding anniversary and her birthday. A beautifully decorated birthday cake held the place of honor on the supper table. Those present were Misses Margaret Partington, Molly Scott, Eleanor Aaronson, Flossie Hughes, Vivie Kilsby, Betty Thorne, Mollie Humphries and Gertrude Wood.

Christening Ceremony

The infant daughter of Mr. and Mrs. F. Barera, 832 Elford Street, was christened on Sunday morning at Victoria West United Church by Rev. W. R. Brown. The baby received the names Denise Mary-Grace, and Mrs. W. Holder, Sr., is the godmother and Mr. Clarence Holder and Mr. William Gerard are godfathers. In the evening, Mr. and Mrs. Barera entertained a few friends at the home of the baby's grandmother, Mrs. W. Holder, Sr., Dominion Road, where the christening cake was cut and refreshments served.

Kitchen Shower

Miss Katie Simpson, a June bride-to-be, was the guest of honor at a kitchen shower given recently by relatives and friends at the home of Mrs. E. Smart, 2708 Fernwood Road. The gifts were presented to Miss Simpson by Dorothy and Stanley Hitchman, dressed as bride and groom, and the wedding march was played by Mrs. Smart as they entered the room. A colonial bouquet of flowers was also presented to the guest of honor. Games were played and refreshments served.

Hostess at Tea Hour

Mrs. Charles S. Robinson entertained yesterday at a delightful tea party at her home on Hampshire Road. The tea table was attractive with a cloth embroidered in blue and gold and centred with a blue bowl of golden marigolds. Mrs. Kennedy-Smith presided and was assisted by Misses Shan Jukes and Valerie Kennedy-Smith. The guests were Mrs. H. H. Giles, Mrs. D. Jukes, Mrs. Raymond W. Jones, Mrs. C. T. Marshall and Mrs. Sydney Pickles.

Miscellaneous Shower

A miscellaneous shower was held at the home of Mrs. E. Vigers, 3326 Shelbourne Street, recently, in honor of Miss Betty Minnis, who is to be married this month. A social evening was enjoyed and later refreshments were served. The guests were Mesdames W. Clarkson, J. Smith, J. Evans, C. Smith, P. Spedding, Misses P. Partington, M. Partington, M. Land, P. Spedding, M. Roe, H. Templeton and M. Vigers.

MISS MONA KELPIN

COUNCIL AROUSED AT NEW FIRE RATES

Continued from Page 1

"That in view of the fact that the insured fire losses in Victoria for the first four months of the year were 46 per cent less than those for the corresponding period in 1936, and as the city's insured fire losses now are at the lowest level in years, the association be requested to reconsider its action in imposing this arbitrary increase of 10 per cent and to notify this council in due course of its decision in the matter and continue the former rates in force pending presentation of said notification to this council, and that a copy of this resolution be sent to the association."

Alderman Morgan took objection to an alleged statement of the association, "due to the present inadequacy of fire-fighting equipment." He quoted facts and figures to prove the fire department and its personnel were now at the peak of efficiency. It seemed to him the more the city cut annual fire losses, the higher insurance underwriters sought to raise rates.

He pointed out that fire insurance companies collected between \$300,000 and \$475,000 in premiums here in 1936 and paid out only \$169,603.70 for fire losses.

FAY FOR OTHERS

It was Alderman Morgan's opinion that Victoria paid for fire losses incurred by fire underwriters in unprotected districts. He stated there was no justification for penalizing the city which had been a gold mine for insurance companies for many years. There were many non-board companies whose assets compared favorably with board companies, and these non-board companies were not contemplating any increase in rates. He closed by reading three letters from non-board companies, stating they were not in sympathy with action of board companies.

Alderman Wills, Edward Williams, R. A. C. Dewar, James Adam, John A. Worthington, Hawkins and S. H. Okell were strongly against the 10 per cent increase in fire insurance rates.

Mayor Andrew McGavin urged the council to take a firm stand in the matter. He pointed out there was no increase in fire insurance rates for Oak Bay or Saanich, which were not so well protected as the city. Even if the board companies decided to eliminate the 10 per cent increase, he thought municipal insurance should be placed with reliable non-board companies to secure a lower rate. He again urged the council to fight for its rights in the interest of the city.

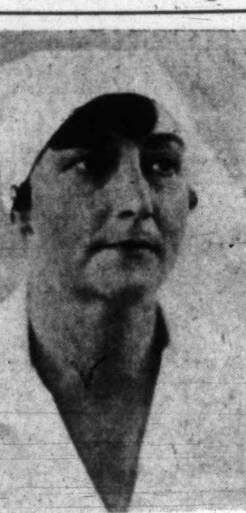

Small Child Is Killed in Odd Accident

NEW WESTMINSTER, May 17.—Mr. and Mrs. C. R. Woodbridge grieved today for the two-year-old grandson they saw dragged to his death yesterday afternoon, tangled in the tethering rope of a frightened cow.

The elderly couple said they heard baby Albert's shrieks, but were unable to stop the cow's dash across 300 yards of rough pasture and through two wire fences. The youngster died from multiple injuries shortly after arrival of doctors.

Albert was the son of Mr. and Mrs. Herbert Woodbridge, of Burquitlam.

MUCH PROPERTY CHANGING HANDS

GANGES, May 17.—During the Spring there have been several inquiries regarding properties for sale at various parts of Saltspring Island, and among the transactions recently completed are the following: The beautiful property at Vesuvius Bay, rented for some months by A. J. Shipley, who recently came through, with his family, from Moncton, N.B., and has had an option of purchase on the Vesuvius property, has now been bought by him from the owner, Stanley Smith.

Another sale at Vesuvius Bay is that of Kenneth Butterfield's property, purchased for a Summer residence, by Keith Wilson, of Victoria. Ganges lots belonging to V. Case Morris, including the Ganges Bakery, the property occupied by Norman West and family, with additional lots nearby, have been purchased by Mrs. Ted Borradaile.

John Manson, of Prince Rupert, has bought a property on Rainbow Road, Ganges, belonging to the Mount estate and occupied at present by J. Foubister and family.

About seventy acres on the Ganges-Fulford Road have been recently acquired by W. Morgensen. Several smaller pieces of land have also recently changed hands on Ganges Harbor.

OFFICIATES AT CONFIRMATION

Bishop Cody Conducts Interesting Service at St. Andrew's Cathedral

The solemn novena to the Holy Ghost at St. Andrew's Cathedral concluded on Pentecost-Sunday with Pontifical High Mass at 11 o'clock chanted by His Lordship the Bishop of Victoria. Assisting him were: Arch-priest, Rev. J. A. Gaudette; deacon, Rev. C. T. Albury; sub-deacon, Rev. E. Sobry; deacons of honor, Rev. P. Jalbert, S.M.M., and Rev. L. Bourque, O.P., of Prince Albert; master of ceremonies, Rev. T. H. Geukers.

The sermon was delivered by Rev. J. A. Gaudette, after which Bishop Cody imparted the Papal Blessing to all present.

An exceptionally large concourse of people attended the evening service at 7:30, when confirmation was administered to twenty-one children and six adults. This was the first time in his career that Bishop Cody gave confirmation, the first child confirmed being John Joseph Crossley. He was assisted by Rev. J. A. Gaudette, Rev. C. T. Albury and Rev. T. H. Geukers of the cathedral staff. Rev. A. B. W. Wood, of Our Lady Queen of Peace, Esquimalt, assisted in the sanctuary. The official sponsors were Mr. and Mrs. A. St. Martin. Mrs. W. P. Regan attended to the floral decorations for the occasion.

FLOOD DANGER NOT YET PAST

Warmer Weather Forecast May Mean New Inundation in Alaska

FAIRBANKS, Alaska, May 17 (P).—The Chena River, free of ice cakes, was back within its banks tonight, but forecasts of warmer weather in the Upper Tanana Valley presaged new overflows if the snow runs off too swiftly this week.

Inundated sections of the city were drying up and householders were moving back into their residences, except in those cases where several feet of water in the basements required removal first.

Railroad and vehicular traffic was under way again; schools and other public buildings, freed of their refugees, were operating again, and the telegraph office was flooded with telegrams from the United States, from friends asking information and offering assistance.

Reports reaching here from Fort Yukon said the settlement there was flooded to a depth of four feet by the Yukon River. At Nenana, the Tanana River had inundated the village to a depth of eighteen feet.

HEALTH OF POPE WATCHED CLOSELY

Holy Father Shows Little Improvement in Restorative Air of Summer Home

CASTEL GANDOLFO, Italy, May 17 (P).—Difficulty in breathing, abundant perspiration and sometimes difficulty in speaking were noted in an announcement today on the condition of Pope Pius, who is the subject of close medical attention at his Summer home here.

The Holy Father, approaching his eightieth birthday and barely over a three-month illness during the Winter, failed to respond to the restorative air of his Summer home, prelates said.

He is continuing to hold the customary audiences, and "there are no new facts or alarming symptoms," the announcement said.

Peerless Fashion Patterns

Edited by LAURA I. BALDIT, A.M.
(For many years Assistant Professor of Household Arts, Teachers' College, Columbia University, New York, N.Y.)

You'll look lovely in this gay flutery umbrella-skirted dress. The umbrella pleats are so new and youthful.

The deep corsage bodice is also an outstanding detail. The brief sleeves square the shoulders smartly.

It's wearable for Spring and Summer for town, in navy, sheer crepe with crisp lace or with a gay crocheted flower. You'll want to wear it for tea-dancing, too. It's just the thing for week-end travels.

Print crepes, particularly the sheers, are equally lovely. A detailed step-by-step Sewing Chart helps you cut and stitch it in an amazingly short time, even if you're an amateur at sewing.

Style No. 3207 is designed for sizes 14, 16, 18, 20 years, 32, 34, 36, 38, 40 and 42-inch bust. Size 36 requires three and three-quarter yards of 39-inch material with three-quarters of a yard of lace edging and quarter of a yard of 18-inch lace for bow.

The Spring and Summer Fashion Book is filled with lovely designs for everyday wear, which are easy and inexpensive to make.

DOMINION OFFERS "QUALITY STREET"

Katharine Hepburn and Franchot Tone Co-Starring in Film Version of Famous Play

"Quality Street," co-starring Katharine Hepburn and Franchot Tone, one of the most famous plays of all time, was written by Sir James M. Barrie during his early forties. It was originally produced in New York with Maude Adams in the title role. A year later the play opened in London, and its decisive success was largely responsible for Barrie's rise

to fame as a playwright. This notable comedy-drama is now brought to the screen of the Dominion Theatre.

PLAZA One of the imaginary THEATRE machines invented by the G.B. technicians for "Transatlantic Tunnel" is called the Radium Drill. It is fifty feet in diameter across its great circle face and is used in the film for excavating the subterranean strata during the building of the tunnel. This drama of future achievement is currently showing at the Plaza Theatre.

COLUMBIA Seven-year-old Sybil Jason, whose secret passion is Dick Powell, has been poring over his past scripts and learning the dialogue spoken by his leading ladies in romantic passages. Sybil is featured with Guy Kibbee and May Robson

CAPTAIN GADSDEN ADDRESSES GYROS

Speaks on Fellowship and Victoria Foundation at Weekly Luncheon Session.

Charity has now taken the form of big business, Capt. Burges J. Gadsden, manager of the Sunshine Inn, told members of the Gyro Club at their weekly luncheon in the Empress Hotel yesterday.

The Sunshine Inn was established for the purpose of assisting the needy, and during the past five and a half years of its existence, has provided some 370,000 meals to needy men throughout Greater Victoria. It has truly been a necessary work, he said.

In referring to "the other fellow," the speaker referred to the broader meaning of the phrase, involving all mankind, and the dependence of one man upon the other. Captain Gadsden spoke of the Victoria Foundation which was established to protect the distribution of charity and outlined the various clauses of its incorporation.

The speaker was introduced by Secretary Harold L. Butterfield and thanked by Vice-President Everett Taylor, who presided. George H. Morgan was introduced as a new member by W. C. Hudson.

ISI AND BAPTISTS WILL MEET HERE

Vancouver Island Baptists will hold a one-day meeting in the First Baptist Church tomorrow. Afternoon and evening sessions will be held, with a supper at 6 o'clock.

Rev. C. R. Barner will preside at the opening session and will reply to the address of welcome by Rev. G. A. Reynolds. At 3 o'clock, the Women's Hour will be held, with Vice-President Mrs. Don Smith in the chair. Mrs. A. Coles and Mrs. W. Smith will sing a duet. "With the New Canadian" will be the subject of Mrs. A. W. Ward, of the Jackson Avenue Mission, Vancouver, the guest speaker, and Mrs. J. W. Bishop will be vocal soloist.

At 4:30 o'clock, Adjutant L. Ede, of the Salvation Army, will deliver an address. Benediction will be followed by a recess to "get acquainted." Miss Tabor will be the pianist. Supper will be held at 6 o'clock, and the evening session will commence at 7:15, with a song service led by Don Smith. This will be followed by a talk to the young people by Frank H. Humphrey, special music, and an address by Rev. John Hart, of India. Miss Scowcroft will act as organist.

They were half through dinner when Chet arrived. "Had a long conference with Eddy," he explained as he sat down at the table. He smiled at Sandra. "Heard you dropped in to check up on us this afternoon. Sorry I was out."

"So was I," Sandra grinned. "David hemmed me up in your office and spent the whole time trying to probe into my personal affairs."

"Not," said David pleasantly, "without some success." Sandra studied her mother's down-tilted face. Enid and Chet never spoke to each other when speaking could be avoided. Divorce, Sandra thought, couldn't be any worse than this. It was impossible for two people to be further apart than Enid and Chet were here in this small room. She wondered if it wouldn't be best for all concerned if Chet went ahead and got the ugly business over with.

She was to discover, within the hour, however, that Chet had different ideas about that. After dinner David went out and after a little Enid left the living-room and went to her room. Sandra looked up to find Chet pulling his chair nearer hers. There was a strange light in his eyes.

"Secrets?" Sandra asked. Her father nodded. "I've decided to salvage my self-respect," he said. "I'm going to take up Ansell's note and let Enid make the next move."

Sandra caught her breath sharply. "You mean you won't let her get a divorce?"

"Not yet," Sandra said. "I'm going to take up Ansell's note and let Enid make the next move."

maid had not heard their low-voiced conversation. "I'm sorry," she said. Sandra went to the library and closed the door. Not because she expected a call and wanted privacy—only because she didn't want Chet to see the tears that were welling up in her eyes.

She took the instrument, spoke, recognized Matt Stanley's voice: "Heard you were out of town, but thought I'd take the chance on calling. Remember the Martha Ansell divorce story you were working on?"

"Yes, Matt—I remember." She hardly knew her own voice. "Well, I've got the dope. About who the correspondent's to be. You knew all along, didn't you?"

She managed at last, "Yes, I knew, Matt. You're going to print the story?"

"That happens to be my business, Sandra. Say, listen, why don't you run over to see Fannie? She's in a spot and she needs somebody. And she could give you all the details. She'll be home tomorrow."

HE KEEPS HIS JOB Though TURNED 70

House Painter Who Takes His Kruschen Every Day

How many painters can continue to work when they are over 70? Here is one who can—and he still does some of the most trying jobs in his trade. How does he do it? He tells us in this letter:

"I have been in the habit of taking a few grains of Kruschen Salts in every cup of tea I have had for a great number of years. I may state that I am turned 70 years of age, being born on July 22, 1864. I am a house painter by trade and still at work. I can work off any ladder, no matter what height, or in cradles which are hung outside high buildings. I have been asked many times how I carry my age so well, as I only look about 50. Well, I tell them all that I take Kruschen Salts regularly every day."—J.S.A.

Kruschen is a combination of numerous mineral salts which assist in stimulating your liver, kidneys and digestive tract to healthy regular activity. They ensure internal cleanliness, and so help to keep the bloodstream free from impurities. (Adv.)

JUST DOING HIS DUTY Traffic Officer—"Say, why all the hurry? Do you want me to pinch you?" Sweet Young Thing—"Just because you're an officer, you don't get so familiar."

MARINE—TRANSPORTATION

BROUGHT IN LARGE LIST

Empress of Asia Arrived
Yesterday Morning From
Far East Ports

With the largest list of travelers she has brought in from Far Eastern ports for some time aboard, the Canadian Pacific S.S. Empress of Asia, Captain G. Good, commander, arrived on schedule here yesterday morning. Officers of the liner reported fair weather conditions on the passage across the North Pacific. The white ship came up from William Head at 7 o'clock and, after disembarking a number of passengers for Victoria, landing heavy mail consignments and considerable general cargo, continued to Vancouver at 9:45 a.m.

Among the prominent travelers aboard the Asia were Dr. M. Bartlett, educationist, who organized the University of the Philippines back in 1910 and guided its destinies until 1915, returned from a visit to Manila aboard the Canadian Pacific S.S. Empress of Asia yesterday morning, accompanied by Mrs. Bartlett.

EXTEND DEADLINE UNTIL THURSDAY

SEATTLE, May 17 (AP).—The In-
land Boatmen's Union negotiating
committee announced today it will
report Thursday on a proposed new
working agreement between ferry-
boat employees and employers. The
earlier deadline had been for mid-
night tonight.

The old agreement expired several
months ago and the new agreement
would be dated as of May 1, union
officials said.

PIONEER IN WITH CARGO

Furness Line Ship Docked
Overnight From United
Kingdom Ports

From the United Kingdom by
way of Panama, California and
Washington ports, the Furness Line
M.S. Pacific Pioneer, Captain H.
Bell, arrived alongside Rithet Piers
overnight, and after unloading
general cargo for Victoria, was to
continue to Mainland ports to
complete. The Pioneer had seven
passengers from England aboard,
all of whom were for Vancouver.

LUMBER SHIPS

To take on lumber cargo, the
freighter Gorybryn is expected at
Ogden Point Piers today, according
to King Brothers, agents for the
vessel.

The Langley Street firm also re-
ports the Greek freighter Nellie
leaving Cowichan Bay, yesterday
afternoon, for Port Alberni.

RETURNED HOME

John Rosene, agent for the
Yamashita Shipping Company at
Vancouver, was a passenger aboard
the Empress of Asia, arriving here
yesterday. Accompanied by Mrs.
Rosene, he made a tour of Pacific
ports to gather first-hand infor-
mation about prevailing conditions.
They went out on the S.S. Empress
of Japan.

BACK TO SEATTLE

Mr. and Mrs. J. W. Eddy, who
have been touring in the Orient for
some time, arrived here yesterday
on the S.S. Empress of Asia, and
immediately transferred to the
yacht Aquilo, which had arrived
here to take her owners, Mr. and
Mrs. Eddy, aboard. While in
Shanghai, they attended the mar-
riage of their daughter, Miss Jas-
mine.

STOWAWAY ABOARD

Shortly after leaving Yokohama,
a young Russian stowaway was dis-
covered on the Empress of Asia, by
ship officers. He will be returned
to the Orient on the next west-
bound trip of the liner.

PHILIPPINES PROSPEROUS

Educationist, Who Organ-
ized University for Islands,
Pleased Over Outlook

Dr. M. Bartlett, educationist, who
organized the University of the
Philippines back in 1910 and guided
its destinies until 1915, returned
from a visit to Manila aboard the
Canadian Pacific S.S. Empress of
Asia yesterday morning, accompa-
nied by Mrs. Bartlett.

Retiring from the position of
president of Hobart College, Genoa,
New York, last June, Dr. Bartlett
was naturally anxious to see how
the University of the Philippines
had been prospering since he left
it. He was pleasantly surprised, he
stated, to find it was thriving mag-
nificently, some 7,000 students being
enrolled at the present time.

Dr. Bartlett said the islands were
very prosperous just now. The de-
pression had disappeared and there
is no unemployment, thanks to the
price of gold and the sugar treaty.
Gold-mining is a real industry now,
the mines having up-to-date ma-
chinery, producing \$40,000,000 in
values last year.

NEED FREE TRADE

Looking at the Philippines eco-
nomically, Dr. Bartlett believes
things look very promising for their
future. He stated they are won-
derfully rich in natural resources;
but believes for continued prosper-
ity the great need will be for some
system of free trade between the
islands and the United States. The
standard of living is high among the
Filipinos; the highest of any people
in Asia, and if this continues to be
so, there is no question as to the
ultimate destiny of the islands
being anything but bright.

Asked about what might happen
when the United States withdraw
from the islands, Dr. Bartlett said
it would be pretty hard to guess the
future of any land; but during the
first year of the Commonwealth's
trial, the Philippine Assembly
proved it was capable and efficient,
producing a surplus of 12,000,000
pesos. Dr. Bartlett is an admirer
of Manuel Quezon, the first presi-
dent, whom he rates as a very able
administrator.

MISSIONARY MANY YEARS

Miss M. M. Young Went to
Japan From Ontario
Back in 1895

In her eighty-first year, but still
alert after spending the greater part
of the last forty-two years of her
life in Japan as a missionary of the
Anglican Church, Miss M. M. Young
was a passenger arriving here yester-
day morning on the Canadian
Pacific S.S. Empress of Asia. Miss
Young is on her way to join a
widowed sister, older than herself,
she stated, who lives at Glenora,
Ontario.

"I wasn't very young when I first
went to Japan," Miss Young told
newspapermen on the arrival of the
liner here yesterday. "I landed in
Japan in 1895 and spent twenty-
seven years at Nagoya. At first we
had only what we called a teaching-
house. Now there are churches,
large congregations, a diocese with
a Japanese bishop. Oh, yes, there
are many Japanese who have
adopted Christianity and practise
its precepts."

Miss Young is evidently very fond
of the Japanese. She stated that
after she was retired she returned
to Canada, but just had to go back.
Her first work was devoted to teach-
ing young people in kindergarten
classes, and during her active years
in Japan she adopted a baby boy,
whose parents had both died. This
boy she educated, eventually send-
ing him to Canada. Recently, at the
age of twenty-eight, he returned
to his homeland with honors at-
tained at the Toronto Conservatory
of Music.

Vancouver Shipping

VANCOUVER, May 17 (AP).—Lieut.-
Col. A. E. Dubuc, of the National
Harbors Board, arrived today to join
R. O. Campney, chairman of the
board.

Wednesday the commissioners will
meet local shipping organizations to
discuss restriction of salmon fishing
at the mouth of the harbor. Ship-
ping interests have long felt that
commercial fishing at the harbor
entrance was a danger to naviga-
tion, but so far representations to
the Government have been un-
availing.

A twenty-eight-foot trolley and
gillnet boat, designed by D. Ross and
built during the past three years by
Captain Edgar Jeffers, has been
launched on the Fraser River. The

HOW TO OVERCOME ITCHING PILES

If you are annoyed with itching piles or
rectal soreness do not neglect the same or
run the risk of an operation. Any itching,
soreness or painful passage of stool, is
nature's warning, and proper treatment
should be secured at once. For this pur-
pose get from MacFarlane and Vancouver
Drugs Stores a box of MacFarlane's Pile
Remedy, and use as directed. This for-
mula, which is used internally, quickly re-
lieves the itching and soreness and aids
in healing the sore, tender spots. Hemor-
roids are a physician's prescription, and is
highly recommended. It is easy to use, and
seems the height of folly for anyone to
risk an operation when a simple remedy,
which is so pleasant to use, may be had
at such a reasonable cost. (Adv.)

THE TUTTS... By Crawford Young

THE CHILDREN ARE GREATLY IMPRESSED BY THE NEW LITTLE RADIO IN THEIR ROOM

By GLUYAS WILLIAMS

Jane Dixon Says:

KLEPTOMANIA IS A CASE FOR A PSYCHIATRIST AND NEEDS SPECIFIC TREATMENT

Here's a strange story! But inasmuch as the situation exists, let's be glad it came to this column. Some of us, or of our friends, may be confronted with the same problem.

Dear Miss Dixon:

As a young woman in her twenties, I have shared for year a very dear and intimate friendship with another girl of approximately the same age.

Her severest critic would call her a lady. Her most formidable enemy could not state that her conduct was other than unimpeachable.

Yet—unwillingly—as her closest friend of many years, I have observed incidents that seem to cast reflection on her honesty.

Recently I have had to face the irrevocable fact. The girl steals.

The girl I thought could do no wrong (I'm credited with being a pretty good judge of character), commits petty thefts whenever the opportunity presents itself—providing the object attracts her. Such objects, for example, as lipsticks, bracelets, compacts and things more valuable, always in the accessory class. These have been the extent of her depredations so far.

WANTS TO HELP HER

I have an innate horror of thievery. But I would rather help an offender than condemn her.

If I confront her with the evidence she will deny it. She knows my opinion of persons who take what is not rightfully theirs, and, fearing possible exposure, she would, naturally, refuse to admit the truth even in the face of unquestionable proof against her.

I believe, or at least I want to believe, that she is afflicted with kleptomania—taking things of no particular value for a reason obscure to herself.

I must cure her of this mania before she gets herself in serious trouble, forfeiting the respect of those who know and love her, and suffering unpeppable humiliation as a consequence.

What shall I do? What would you do?—More-Than-Puzzled.

Dear Puzzled: Now I must tell you a story. When I was in college, one of the most popular girls in our crowd was Anne. Whenever anything worth while happened, Anne was the centre of it. She had the run of our rooms and we cheered when she came in. Then we began to miss things. Little things. No one thought of Anne as an agent for the missing. A sorority pin. A French grammar. The colors of a fencing foil. A pair of stockings from the box mother just sent. A cake of soap from the special Christmas box.

Came the pay-off. A student caught Anne rifling a bureau drawer. If the student had been one of us, Anne would have been protected. But she was an outsider, a stray soul who resented her inadequacy for social grouping, and how she enjoyed catching Anne! Sweet revenge.

ANNE LOVED VARIETY

What do you think the school authorities found in Anne's trunk? Sorority pins, French grammars, school colors, cakes of soap (some half used), stockings by the dozen. And a gaudy wash cloth, off bounds in the school, which one of Anne's best friends had put out to be gathered by the monitor and placed in the "horror chest." The horror chest is a store room filled with things like gaudy wash cloths sent by loving families who didn't know better than to be that way.

Anne left college without saying farewell to us. In memory, she is a dark shadow.

Kleptomania is a disease. I don't know quite what you should do about your friend. You might manage to get hold of something she has taken and remark to her that you are sure she did it "by mistake," but that such mistakes are very dangerous and you hope she won't do it again. If she is a real kleptomaniac I doubt that she will be cured until she has had a bitter experience. If then, Men of great wealth have established kleptomania accounts for pampered wives and daughters who can't resist the impulse to take. The stolen articles are charged to the account.

Kleptomania is a case for a psychiatrist and needs specific treatment as definitely as does any other virulent disease.

SAVED!

ENCOURAGING

The two survivors of a shipwreck, a seaman and a stock broker, had managed to clamber on to a raft. "If a ship doesn't sight us soon, sir," said the seaman, "we'll starve." "Don't talk nonsense!" snapped the stockbroker. "I've plenty of money."

In one office the following encouraging notice to ambitious young employees is on view: "Work hard for eight hours a day and don't worry; then in time you may become a boss and work eighteen hours a day and have all the worry."

Athletics Defeat Yanks to Go Back To First Position

Wild Throw by Catcher Bill Dickey Deciding Factor in 3-2 Victory for Connie Mack's Boys—Joe Cronin Injured as Red Sox Go Under—Cubs Beat Cincinnati in National Loop

AMERICAN LEAGUE

PHILADELPHIA, May 17 (AP).—The Athletics, capitalizing on a wild throw in the eighth inning by Catcher Bill Dickey, put over two runs to halt the Yankees and Lefty Gomez, 3-2, and go back into the American League lead by a half-game margin today.

Bob Johnson beat out a hit to lead off the fateful inning and, with two out, Skeeter Newsome sent him to third with a single to centre. Johnson and Newsome then attempted a double steal and Dickey, with Johnson trapped between third and home, heaved the ball into left field.

Johnson scored with the tying run and Newsome, who had gone to third on the misplay, clattered across the plate a moment later with the winning marker on Chalmers Cissell's two-bagger. R. H. E. CHAMPION AND MEDALIST WIN

Vic Painter and Harold Brynjolfsson Advance in Uplands Golf Tourney

Semi-finalists were named in the Uplands Golf Club championship Sunday with the defending titleholder, Vic Painter, and the tournament medalist, Harold Brynjolfsson, moving into the next rounds. In the morning round, Painter scored an easy win over Doug Fletcher, 7 and 6, while Harold Brynjolfsson put out Col. A. F. M. Slater, 5 and 4. In the semi-finals, which will be played May 30, Brynjolfsson faces the champion, Painter, and Alan Riches goes up against Bill Pomeroy. Riches scored victories over L. J. Hibberd, 3 and 2, and then put out Joe Barlow, 4 and 2, while Pomeroy accounted for Ed Cuppage, 2 and 1, and Dr. C. N. Westwood, 2 and 1. Brynjolfsson went out in the afternoon and beat G. K. Verley, 4 and 2, and Painter shot good golf in the morning when he defeated Clarence Brynjolfsson on the last green, 1 up.

George Robertson Suspended for Two Games for Actions

OFFICIALS of the Lower Island Football League took drastic steps to hold players under control during future games at a special meeting held last night at the Y.M.C.A. George Robertson, shortstop of Kents in the "A" division, was handed a two-game suspension for his admitted conduct during last week's game against Painter's Bruins. Robertson strongly objected to the decision of the league umpire and finally was ejected from the game when he wanted to show force to strengthen his objections. Robertson was present at the meeting and heard the decision of the executive. Kents' shortstop will be on the sidelines tonight and also next Thursday. Bob Blair, of the Palais de Danse team in "C" section, was suspended for one game for playing "A" section ball without a transfer. The decision rendered in the Robertson case is the first move of officials to protect the umpires. All managers will be informed about their players using profane language in future games. Suspensions will be handed out to players or officials under the jurisdiction of the Lower Island board for disregarding this warning.

OPEN GRASS COURTS AT VICTORIA CLUB

The grass courts of the Victoria Lawn Tennis Club were officially opened Sunday. They will be closed for the remainder of the week, but will open again Saturday for the long week-end and will be in use from then on. F. A. Jackson, secretary, announced.

The scheduled American handicap tournament was called off before it was completed, because of rain.

Ted Longworth Is Winner of Berth Over Harry Givan

ACOMA, Wash., May 17 (AP).—A twenty-five-foot putt that circled the cup and bounced out again today defeated Harry Givan of Seattle, and gave Ted Longworth, Portland professional, a victory in the Pacific Northwest qualifying round for the national open golf championship. The putt that Givan missed came as the two were playing off a tie on the thirty-seventh hole of the tournament. Longworth, whose approach was six feet away from the pin, sank his putt to win.

In a field of only five players, Longworth took a morning lead with a 73, one over par, while the others were floundering in with 75 or more.

In the afternoon, however, Givan suddenly found the green and delivered a sizzling 68, three under, while Longworth marked up a 72 to make the tournament all square with 145 each.

MRS. ENKE IS EASY WINNER

Captures Qualifying Round At Gorge Vale Course by Sixteen Strokes

Finishing sixteen strokes in front of the field, Mrs. S. Enke, who, as Miss Peggy Allen, was runner-up in the British Columbia women's amateur tournament two years ago, breezed in an easy winner of the qualifying round in the Gorge Vale Club championship with a card of 88 for the eighteen holes. Mrs. H. H. Allen, women's captain, and mother of the medalist, finished second with 104 and Miss Flora Hill was third with 109 and Mrs. H. P. Hodges was fourth with 110.

Mrs. Enke played steady golf all the way. She was out in 47, eight over par, and then fired two birdies and three pars over the homeward route for a brilliant nine of 41. Mrs. Enke birdied the thirteenth with a three and then caged a neat two at the short fourteenth.

Secretary Jim Smart announced that the players will be allowed two weeks to play their first round matches but only one week for the following matches.

Scores and the draw follow: Mrs. S. Enke..... 88 Mrs. H. H. Allen..... 104 Miss F. Hill..... 110 Mrs. H. P. Hodges..... 111 Mrs. L. Silburn..... 112 Miss M. Hill..... 115 Mrs. D. W. THOMPSON EQUALIZES

Soon after the resumption Bill Thompson equalized for the Islanders. James Island took the lead for the first time when Ray Rivers scored with a high drive. Bartleman kept the Saanich Native Sons in the game when he knotted the score at 3-3.

James Island took command of the situation in the last ten minutes and drove home three tallies, with Maule, Thompson and J. Bond sharing the scoring honors.

Joe Obee refereed.

Bartell Upset but Makes Double Play

Dick Bartell, New York Giants shortstop, pivot in a double play, is hurtling through the air and landing on his head after retiring Frey, Chicago Cubs shortstop, on Whitehead's throw. Before he was upset by the sliding Frey, he got the ball off to McCarthy to double up Demaree at first base. The Cubs won the game, 4-3.

Victoria United in 2-1 Soccer Victory Over Nanaimo City

Triumph Gives Locals Vancouver Island Championship—Eddie De Costa Scores Both Victoria Goals—Nanaimo Alderman Presents Cup

By SID THOMAS

NANAIMO, May 17.—Last played for in 1921, the Vancouver Island Football Association Challenge Cup, symbol of the soccer championship of Vancouver Island, is in the British Columbia capital today.

Playing at the Central Sports ground Sunday afternoon, Victoria United eked out a 2-1 victory over Nanaimo City in the second game of the best-of-three series, and gained possession of the silverware. The visitors won the first match, played at the Royal Athletic Park, Victoria, 5-0.

Seventeen-year-old Eddie De Costa, bustling young Victoria centre forward, booted his team-mates to victory when he beat Archie Johnson, Nanaimo goalie, once in each half.

Uke Grey, veteran forward, shifted to the left lane, garnered the line tally when he crashed a terrific drive past Louis De Costa, visiting net minder, in the first session.

Victoria United were minus John Watt and George Payne, regular forwards, while the home eleven, with the permission of Joe Bloom, manager of the visitors, called upon three players from the other Nanaimo clubs.

NANAIMO ATTACKS

Nanaimo City opened strongly and tested De Costa with two long shots. Victoria United broke up the attack and at the other end Eddie De Costa drove a first-timer at Johnson and he saved nicely. Nanaimo returned the play and, after De Costa slapped out Sandland's cross from the left lane, Uke Grey rifled one at the Victoria goalie from inside the penalty area. De Costa made a sensational save.

The home boys kept up the pressure and were making things warm for the visitors. Glen Robbins, husky fullback and the best man on the field for Victoria United, finally sent the visitors on the offensive, but their shooting was very erratic.

Nanaimo City came back with a burst of speed and Bud Sandland crossed nicely from the right lane, but Leggett cleared. The first marker came at the twenty-three-minute mark when Uke Grey took Jim Knight's pass and scored when only feet from the framework.

VICTORIA EQUALIZES

Victoria United attacked from the centre and Morgan sent a long grounder at Johnson. With the visitors applying the pressure, "Fat" Edmunds halted the play by deliberately handling the ball. The Capital City eleven knotted the score soon after when De Costa took Peers' header and scored with a low shot to the far corner of the goal.

The score was unchanged when the half ended.

With the wind at their backs, Victoria United had the better of the play in the final half. They swarmed down on the Nanaimo goal time after time, but more often than their shots were wide. Nanaimo City were always dangerous on the offensive and while their raids on the Victoria United goal were far from being frequent, they gave the large army of Capital City supporters many anxious moments.

WINNING GOAL

Twenty minutes after the teams changed ends Eddie De Costa scored what proved to be the winning marker. Taking Morgan's pass well outside the Nanaimo penalty area, young De Costa sent a fast, low shot at the home goal. The leather hit the upright and found the net at the other side.

Nanaimo City never quit trying and late in the game Louis De Costa dived full length to push aside an unexpected shot from Denton. It was the most spectacular save of the game.

In the only substitutions of the afternoon, Denton replaced Sandland and Easterbrook went on for Knight.

Alderman J. Kerr, Nanaimo, presented the cup to Roy Barnes, captain of the visitors, immediately after the match.

Victoria United—L. De Costa, Leggett, Roper, Williams, Barnes, Robbins, Robinson, C. Robbins, E. De Costa, Peers and Morgan. Nanaimo City—Johnson, Watson, Edmunds, Gavin, McGregor, Peffer, Sandland, Knight, Forrester, Thomson, Grey, Denton and Easterbrook.

MAINLAND FIGHTER DROPS CROWN AFTER TEN CLOSE ROUNDS

Veteran Vancouver Puncher Loses Canadian Welterweight Championship to Young Toronto Italian at Maple Leaf Gardens Before 4,000 Fans—Decision Is Unanimous

By ERIC DUNN

TORONTO, May 17 (AP).—Veteran Gordon Wallace, of Vancouver, dropped his Canadian welterweight crown to the rugged Toronto Italian, Frankie Genovese, in a close ten-round tussle tonight, at Maple Leaf Gardens, before 4,000 fans.

A rangy clever fighter, Wallace was unable to overcome the early points Genovese piled up and the strong finish of the Toronto youngster.

The tenth round proved the great point-winner for the dark-haired Genovese, who fought an inspired battle against a more experienced opponent whose looping left to the stomach for a while appeared destined to keep the crown at the Coast city.

Frankie's stinging left, which cut the Vancouver fighter's face repeatedly and set him back on his heels, was his main weapon in the fairly even struggle.

At the start of the bout, Wallace, who weighed 144, half a pound less than the challenger, had Genovese missing and backing away. But before the first round ended the Italian showed he was out to take the crown, snapping Wallace's head back with a left to the cheek and closing the stanza with a rush.

After several clinches in the second, Genovese forced his way into close quarters, tossed two overhand rights to the champion's face before being stung with a left to the forehead. Wallace swung several lefts low to Frankie's body, but the Toronto fighter evened matters with a sharp right uppercut.

BATTLE SLOWS UP

Infighting exchanges slowed up the struggle, with the champion content to swing his low left to the body, which failed to hurt Genovese, whose looping right to the champion's chin was the cleanest blow of the third round. Wallace, unable to keep out of the way of Frankie's left, which started the blood flowing from the Vancouver man's nose, started to cover up.

Genovese kept shooting for the bleeding nose throughout the fourth

and fifth, when he continued forcing the fight. In the fifth Wallace was warned for tossing a low left, which struck the Italian's right thigh during a flurry of gloves. Wallace was warned a second time for a similar low one in the sixth, but in the next two rounds he sent Frankie on the run with a spurge of lefts and rights to the body.

The eighth was Wallace's best round. He hopped from his stool, swinging to head and body and burying his left twice into the Italian's stomach. Before the round ended, the champion rocked the youthful challenger with a crushing left to the chin.

Three lefts and two rights to Genovese's face failed to stop the rushing, bruising tactics of the Toronto fighter. In the ninth Genovese finished fast and cut the champion's face with two rights. Wallace's great attempt to swing the fast-slipping points his way in the final tenth was blocked by Frankie's greater stamina.

LACKED POWER

The champion, who met some of the best welters on the continent during his five-year reign, lacked the reserve power to cope with the two-fisted blast the Toronto batter turned on in the last round. Wallace missed a right, slipped to the canvas and came back to drive Genovese to the ropes, but Frankie tagged him hard with a right uppercut, shot a left and right to Wallace's bleeding face and had the champion hanging on at the bell.

All three judges gave the verdict to Genovese for a strong finish, and the excited youngster ran to his dressing-room, practically unmarked. Wallace, his nose swollen and bleeding and his face gashed, first thought of a return bout.

Miller Quits Hockey

CAMPBELLTON, N.B., May 17 (AP).—Bill Miller, defenceman of Montreal's National Hockey League Canadiens, announced his retirement from hockey today. Miller said he was going to devote his time to the lumber business.
